V1

The diagram illustrates the assembly process for step V1. It shows two rectangular panels being joined. The top panel has a label "1x 1" and the bottom panel has a label "1x 1". Arrows indicate the placement of 14 screws (labeled "14x A") around the perimeter of each panel. A circular inset provides a detailed view of a screw being inserted into a pre-drilled hole, accompanied by a checkmark indicating correct installation. Another circular inset shows a warning against using a power drill, with a crossed-out drill icon and a hand turning the screw. A separate inset shows a single screw labeled "A".

Warning: Do not use a power drill.

Parts List:
