Certification	N/A												
Cleaning	Wipe with a damp cloth.												
Care and maintenance instruction	Do not put the wood boxes in the dishwasher and do not soak the products in water or soap. Avoid exposures to direct sunlight for longer periods of time. Do not use the oak box to store liquids or damp food items, as this may damage the wood. Do Not Place Near Heat Sources.												
Storage	Store the box in a dry environment to prevent moisture from affecting the wood.												
Warranty	2-year warranty from the date of purchase. The warranty covers manufacturing defects but does not cover damage caused by misuse or improper care.
