Da es sich hier um ein variables Modell handelt, muss vor Montage entschieden werden, welches Element rechts oder links stehen soll. Entsprechend müssen dann die Arm- bzw. Rückenlehnen angebracht werden. Hierzu den Reißverschluss an der Unterseite öffnen und anhand der vorhandenen Bohrungen in den Seitenwänden die Löcher im Stoff freilegen (Schere, Cuttermesser o.ä.).

|                                                                                                   |                                                                                                    |                                                                                                    |                                                                                               |                                                                                              |                                                                                            |                                                                                            |                                                                                             |                                                                                             |                                                                                              |
