Unser Direktservice für Beschlagteile

Sollte Ihnen ein Beschlagteil fehlen, können Sie diese Servicekarte direkt an die untenstehende Adresse mailen. Wir können allerdings nur Beschlagteile auf diesem Wege verschicken. Sollten Sie eine andere Beanstandung an Ihrem Möbelstück haben, so wenden Sie sich bitte direkt an Ihr Möbelhaus.

Our direct order service for fitting

If a fitting part is missing, you can e-mail this service card directly to the address below. However, we can only send fitting parts in this way. If you have any other cause for complaint concerning your item of furniture, please contact your furniture store directly.

Naše přímé služby pro kování

Chybí-li vám nějaký díl z kování, můžete tuto servisní kartu odeslat e-mailem přímo na níže uvedenou adresu. Touto cestou však můžeme rozeslat jen díly kování. Pokud byste reklamovali jiný díl nábytku, obraťte se přímo na svého prodejce nábytku.

Bien etudier la notice de montage

S'il vous manque une ferrure, veuillez envoyer directement la présente carte service à l'adresse e-mail indiquée ci-dessous. Cependant, ceci nous permet uniquement d'envoyer des ferrures. Pour tout autre type de réclamation concernant votre meuble, veuillez contacter directement votre magasin d'ameublement.

Il nostro servizio diretto per l'ordine della ferramenta

Qualora V i dovesse mancare un pezzo di fissaggio, allora V i preghiamo di inviare questa carta di servizio immediatamente all'indirizzo sottostante. Possiamo inviare i pezzi di fissaggio solamente per mezzo di questo procedimento. Qualora dovete avere qualche altra reclamazione in merito al mobile, allora V i preghiamo di rivolgerV i direttamente al V ostro Negozio di mobili.

Наша та директна услуга за обковок

Ако липсва ат части о т комплекта, попълнете те наст оящата сервизна карта и ни я изпра тете на е-mail адреса, пос очен по-долу. По т ози на чин мо жем да дос тавим само липсва щии елементи о т обко ва. Ак о устано вите е други де фек т и по ме белите, Ви съ ет ва ме да се об ърнете към ме белна та къща/маг азин, о т който сте за купили ст оката.

Onze directservice voor losse onderdelen

Wanneer er een onderdeel ontbreekt, kunt u deze servicekaart direct aan onderstaand e-mailadres sturen. Wij kunnen langs deze weg echter alleen beslagdelen versturen. Mocht u een ander probleem aan uw meubel hebben, verzoeken wij u contact op te nemen met uw meubeldealer.

Nasz bezpośredni serwis części montażowych

Jeżeli brakuje części koniecznych do montażu, prosimy o przesłanie nam niniejszej karty serwisowej na niżej podany adres e-mailowy. W ten sposób możemy przesłać Państwu tylko brakujące części. W przypadku innych reklamacji dotyczących mebla, prosimy zgłosić się do salonu meblowego, w którym został dokonany zakup.

Servis za okove

U slučaju da nedostaje neki od dijelova molimo vas da na dolje navedenu mail adresu pošaljete ovaj servisni obrazac. Na ovaj način mogu se dostaviti samo okovi. U slučaju da imate dodatne prigovore vezane uz komad namještaja molimo vas da se obratite izravno trgovini namještaja gdje je isti kupljen.

Direktzołgálatunk vasalatoł esetén

Ha hiányzik egy vasalat, ezt a kártyát közvetlenül elküldheti az alább található címre. Azonban csakis vasalatołt tudunk így küldeni. Amennyiben másfajta reklamáció áll fenn bútorárbájt illetően, forduljon közvetlenül a bútorháához.

Náš priamy servis pre časti kovania

Ak by Vám chýbala nejaká časť kovania, môžete poslať túto servisnú kartu poslať e-mailom na nižšie uvedenú adresu. Diely kovania vieme poslať iba týmto spôsobom. Ak by ste mali inú reklamáciu ohľadom Vášho nábytku, obraťte sa priamo na Vášu predajňu nábytku.

Naše direktné uslužbe storitve za okovje

Če vam manjka kakšno okovje, lahko to servisno kartico pošljete po e-pošti direktno na spodnji naslov. Po tej poti vam lahko pošljemo samo okovje. Če želite reklamirati kakšen drug del pohištva, se obrnite neposredno na vašo trgovino pohištva.

Service-ul nostru direct pentru feronerie

În cazul în care vă lipsește o piesă de feronerie puteți să trimiteți direct acest card de service prin e-mail la adresa de mai jos. Noi nu putem expedia piese de feronerie decât pe această cale. Dacă aveți o altă reclamație referitoare la piesa de mobilier atuncî vă rugăm să vă adresați direct la magazinul dvs. de mobilă.

Наш прямой сервис для поставок фурнитуры

Если окажется, что о Вам не хватает того или иного элемента фурнитуры, Вы можете отправить сервисную карту по факсу непосредственно на нижеприведенный электронный почтой. Однако, таким образом мы можем переслать лишь фурнитуру. Если же у Вас возникнут иные претензии о отношении приобретенной мебели, пожалуйста, обращайтесь непосредственно в организацию, осуществляющую продажу.

Vår direktservice för beslagdelar

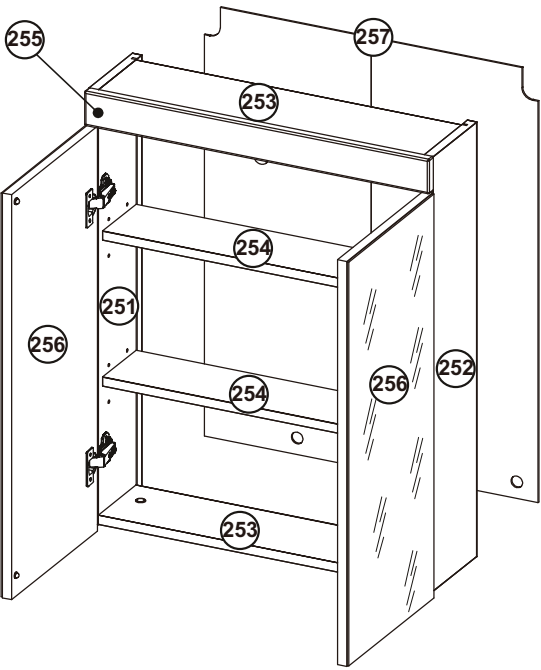

Om du saknar en beslagdel kan du skicka detta servicekort direkt till e-postadressen som anges nedan. Tank på att detta är den enda möjligheten att skicka beslagdelar till dig. Om du vill reklamera din möbel av annan anledning måste du kontakta ditt möbelhus direkt.

Nuestro servicio directo para accesorios

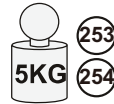

Si le falta algún accesorio, puede enviar esta tarjeta de servicio directamente a la siguiente dirección. No obstante, por este método solo podemos enviar accesorios. Si tiene alguna otra objeción sobre su mueble, consulte directamente con su mueblería.

Donatılar için doğrudan servisimiz

Bir donatınız eksikse bu servis kartını doğrudan aşağıda bulunan adrese doğrudan mail yazabilirsiniz. Sadece bu yolla donatıları gönderebiliriz. Mobilyanızda başka şikayetleriniz varsa lütfen doğrudan mobilya satıcınıza danışın.

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

| <p>Sehr geehrte Kundin, sehr geehrter Kunde, wir danken Ihnen für den Kauf eines Möbels aus unserem Innenraum-Programm zum ausschließlichen Gebrauch in privaten Räumlichkeiten. Bitte prüfen Sie den Lieferumfang auf Vollständigkeit und lesen Sie sich nachstehende wichtige Informationen vor der Montage sorgfältig durch und bewahren Sie diese für spätere An-/Verwendungen, auch durch Dritte, auf.</p> <p>Unsere Möbelstücke sind bestimmungsgemäß einzusetzen. Die nicht bestimmungsgemäße Verwendung kann zu Sachschäden oder unter Umständen zu Personenschäden führen. Möbel sind keine Kinderspielzeuge. Für Schäden, die durch nicht bestimmungsgemäßen Einsatz oder durch falsche Handhabung entstehen, übernimmt der Hersteller oder Händler keine Haftung.</p> <p>A C H T U N G: Kinder oder Personen mit geistiger Behinderung sind stets von Möbelteilen, spitzen Gegenständen, Kleinteilen und Verpackungsmaterialien fernzuhalten, es besteht Verletzungs- und/oder Erststichungsgefahr.</p> <p>M O N T A G E: Bitte richten Sie sich bei der Montage nach unseren Betriebs-, Bedienungs-, Installations- oder Montageanleitungen und achten Sie insbesondere auf Warn- und Sicherheitshinweise. Werden Anweisungen nicht befolgt, kann dies zu Verletzungen bei Personen oder zu Schäden am Möbel führen / zu einem Sicherheitsrisiko werden. Sollten Sie Schwierigkeiten beim Aufbau / bei der Montage haben, kontaktieren Sie bitte unser Serviceteam. Dieses steht Ihnen mit Rat und Tat zur Seite. Die Montage darf nur durch fachkundige Personen durchgeführt werden. Bei Änderungen am Produkt/Produktteilen, beim Austausch bzw. Einsatz von Teilen / Verbrauchsmaterialien, die nicht vom Hersteller/Händler stammen, kann keine Haftung für Schäden übernommen werden.</p> <p>Wenn der Ware Wandbefestigungsmittel wie Dübel und Schrauben beiliegen, sind diese ausschließlich zur Anwendung an Wänden aus massiven und einheitlichen Materialien bestimmt. Eine Befestigung ist nur so gut wie die Verbindung zwischen Befestigungsmittel und Wand. Bitte prüfen Sie sowohl bei stehenden als auch bei hängenden Möbelstücken vor deren Befestigung Ihre Wand auf ihre diesbezügliche Eignung und verwenden Sie nur dafür geeignete Befestigungsmittel. Vor eventuellen Bohrrührungen vergewissern Sie sich, dass keine Leitungen im Bohrbereich liegen. Letztendlich ist der Monteur für die Befestigung an der Wand verantwortlich.</p> <p>Dies betrifft auch die Installation von Elektroartikeln sowie anderen bautechnischen Zubehörteilen. Die Montage / Installation von Elektroartikeln sowie anderem baurelevanten Zubehör sind nur von autorisierten Fachpersonal durchzuführen. Alle elektrischen sowie bautechnischen Installationen sind nach den jeweils gültigen Normen bzw. Sicherheitsvorschriften in Ihrem Bundesland durchzuführen. Bitte setzen Sie bei Lichtquellen Ihre zulässige Leuchtmittelstärken ein. Bei Nichteinhaltung der max. Wattzahl besteht durch Überhitzung Brandgefahr. Das Abdecken der Leuchtmittel ist wegen Brandgefahr zu unterlassen.</p> <p>Die einwandfreie Funktion des Möbels ist nur bei lot- und waagerechter Aufstellung gewährleistet. Die Türen sind vorjustiert, müssen aber ggf. aufgrund örtlicher Bedingungen neu ausgerichtet / eingestellt werden. Halten Sie bitte die Gewichtsangaben zur maximalen Belastung unbedingt ein. Möbel dürfen nicht bestiegen werden. Bei unsachgemäßem Gebrauch, kann es zu einem Umkippen von Möbelstücken kommen. Um dem vorzubeugen, sollten Möbel stets gegen Umkippen gesichert werden. Bei Überlastungen/Überbelastungen (insbesondere durch spielende Kinder, Menschen, Material oder sonstige unsachgemäße Einwirkungen) besteht Bruch- und Verletzungsgefahr. Alle Schrauben sowie tragende Verbindungsteile sollten nach 5 bis 6 Wochen nachgezogen werden, um eine dauerhafte Standsicherheit zu gewährleisten.</p> <p>P F L E G E - Hinweise zur Möbelpflege- Beachten Sie bitte unsere Hinweise zur richtigen Möbelpflege, damit Sie möglichst lange Freude an unserem Produkt haben. Verwenden Sie bei der Reinigung ein sauberes, trockenes und weiches Baumwolltuch. Wenn Ihre Möbel einer gründlichen Reinigung bedürfen, können Sie das Tuch mit etwas Wasser oder Möbelpflegeinrichtungen und anschließend die gereinigten Elemente trocken. Metall- und Glasleiste reinigen Sie am besten mit den handelsüblichen Metall- und Glasreinigern nach den auf ihnen befindlichen Pflegeanweisungen. Die Reinigungsmittel müssen einen klaren Hinweis tragen, dass sie zur Möbelpflege geeignet sind. Verwenden Sie auf gar keinen Fall Dampfreiniger sowie ätzende, scheuende und andere Mittel, deren Wirkung Sie nicht kennen.</p> <p>A C H T U N G: Hochglanzoberflächen sind bei der Auslieferung durch eine Schutzfolie geschützt. Belassen Sie diese auf dem Möbel, bis es vollständig montiert und von Staub befreit ist. Hochglanzelemente, von denen die Schutzfolie entfernt wurde, dürfen erst nach 72 Stunden (Zeit zum Nachhärtan an der Raumluft) gereinigt und verwendet werden. Oberflächen nicht mit scharfen Gegenständen beschädigen und keinesfalls starker Sonnenbestrahlung aussetzen.</p> <p>E N T S O R G U N G - Hinweise zur Abfallsorgung- Der Umwelt zuliebe entsorgen Sie bitte den Verpackungsmüll sortenrein in die dafür vorgesehenen Abfall-/ Recyclingtonnen und nicht in die Natur. Beschädigte oder unbrauchbare Möbel können speziellen Wiederverwertungsanlagen zum Recyceln von Einzelteilen zugeführt werden.</p> <p>Ausgediente, jedoch noch funktionstüchtige Möbel müssen nicht gleich entsorgt werden. Spenden Sie sie z. B. an wohltätige Organisationen.</p> <p>Wir wünschen Ihnen viel Freude mit Ihrem neuen Möbel.</p> | <p>Уважаеми клиенти, благодарим Ви, че закупихте мебели от нашата интериорна програма за обзавеждане на дома. Моля, проверете обхвата на доставката за пълнота, преди монтажа прочетете внимателно следната важна информация и я запазете за бъдещи справки, а също и за трети страни. Нашите мебели следва да се използват по предназначение. Неправилната употреба може да доведе до материални щети или при определени обстоятелства до физически наранявания. Мебелите не са детски играчки. Производителят или търговецът не поема отговорност за щети в резултат на употреба извън предназначението или неправилно боравене.</p> <p>В Н И М А Н И Е: Деца или лица с ментални увреждания следва винаги да се държат далече от части на мебелите, остри предмети, малки части и опаковъчни материали, съществува опасност от нараняване и/или задушаване.</p> <p>М О Н Т И Р А Н Е: По време на монтажа, моля, съблюдавайте нашите ръководства за експлоатация, обслужване, инсталиране или съпояване и обърнете особено внимание на предупрежденията и указанията за безопасност. Неспазването на указанията може да доведе до нараняване на лица или повреда на мебелите / да създаде риск за безопасността. Ако имате затруднения при съпояването / монтажа, моля, свържете се с нашия сервизен екип. Той е на Ваше разположение със съвети и действия. Монтажът следва да се извършва само от квалифицирани лица. Не се поема отговорност за щети в случаи на модификации на продукта/части на продукта, при подмяна или използване на части / консумативи, които не са предоставени от производителя/търговеца.</p> <p>Ако към изделията са приложени крепежни елементи за стена, като дюбели и винтове, те са предназначени за използване само за стени от масивни и еднородни материали. Закрепването е толкова добро, колкото е добра връзката между крепежния елемент и стената. Моля, проверете пригодността на Вашата стена преди закрепването както на стоящи, така и на окачени мебели и използвайте само подходящи крепежни елементи. Преди да започнете с пробиването, се уверете, че в съответната зона не преминават кабели. По принцип монтажникът е отговорен за закрепването към стената.</p> <p>Това се отнася и за инсталирането на електрически артикули и структурното окабеляване. Монтирането / инсталирането на електрически артикули, както и на други конструктивни елементи, свързани със строителството, следва да се извършва само от оторизирани специализирани персонал. Всички електрически инсталации и структурно окабеляване следва да се изпълняват в съответствие с приложимите стандарти и разпоредби за безопасност във Вашата страна. Моля, използвайте само източници на светлина с допустимите стойности за сила на светлината. При неспазване на максималната мощност съществува опасност от пожар поради прегряване. Покриването на източниците на светлина не е разрешено поради опасност от пожар.</p> <p>Правилната функция на мебелите е гарантирана само при вертикално и хоризонтално положение. Вратите са регулирани предварително, но при необходимост в зависимост от местните условия може да се наложи да бъдат настроени/регулирани повторно. Моля, съблюдавайте стриктно спецификациите за максималното натоварване. Мебелите не са средство за катерене. При неправилна употреба мебелите могат да се преобърнат. За да се предотврати това, мебелите винаги трябва да се обезопасяват срещу преобърщане.</p> <p>При претоварване/свърхтовар (по-специално поради играещи деца, хора, материали или други неподходящи въздействия) съществува опасност от счупване и нараняване. Всички винтове, както и носещите свързващи точки трябва да бъдат затегнати след 5 до 6 седмици, за да се осигури трайна стабилност.</p> <p>П О Д Р Ъ Ж К А: -Указания за поддръжка на мебелите- Моля, съблюдавайте указания за правилна поддръжка на мебелите, за да можете да се насладявате на нашите продукти възможно най-дълго.</p> <p>За почистване използвайте чиста, суха и мека памучна кърпа. Ако Вашите мебели се нуждаят от основно почистване, можете да навлажните кърпата с малко вода или почистващ препарат за мебели и след това да подсушите почистените елементи. Метални и стъклени части се почистват най-добре със стандартни почистващи препарати за метал и стъкло съобразно посочените върху опаковките указания. Почистващите препарати трябва да са с ясно указание, че са подходящи за поддръжка на мебели.</p> <p>В никакъв случай не трябва да използвате парочистачка, корозиони, абразивни или други препарати, чието действие не Ви е познато.</p> <p>В Н И М А Н И Е: При експедицията повърхностите с висок гланц са защитени с предпазно фолио. Оставете го върху мебелите, докато те бъдат напълно монтирани и почиствени от прах. Елементите с висок гланц, от които е отстранено предпазното фолио, могат да се почистват и използват едва след 72 часа (време за допълнително втвърдяване на въздух в помешението).</p> <p>Не повреждайте повърхностите с остри предмети и в никакъв случай не ги излагайте на силна слънчева светлина.</p> <p>О Т С Т Р А Н Я В А Н Е К А Т О О Т П А Д Ъ К -Указания за отстраняването като отпадък- За опазване на околната среда, моля, изхвърляйте опаковките, сортирани по вид, в предвидените контейнери за отпадъци / рециклиране, а не в природата. Повредените или непотребните мебели могат да бъдат предадени в специални дела за оползотворяване и рециклиране на отделни части. Излезлите от употреба, но все още годни мебели не бива да се изхвърлят веднага. Дарете ги напр. на благотворителни организации.</p> <p>Пожелаваме Ви да се насладявате на новото обзавеждане.</p> | <p>Vážená zákaznice, vážený zákazník, děkujeme, že jste si zakoupili nábytek z našeho interiérového programu pro výhradní použití v soukromých prostorech. Zkontrolujte úplnost rozsahu dodávky a před montáží si pozorně přečtěte následující důležité informace a uschovejte je pro pozdější využití/použití, a to i třetími osobami.</p> <p>Náš nábytek se musí používat podle předpisů. Používání v rozporu s předpisy může vést k věcným škodám a za jistých okolností také k zraněním osob. Nábytek není hračka. Za škody, které vzniknou používáním proti předpisům nebo nesprávnou manipulací, nepřejímá výrobce nebo prodejce žádnou záruku.</p> <p>P O Z O R: Děti nebo osoby s mentálním postižením se musí neustále držet mimo dílů nábytku, špičatých předmětů, drobných částí a obalových materiálů, protože hrozí riziko zranění a/nebo udušení.</p> <p>M O N T Á Ž: Při montáži dodržujte náš návod k používání, obsluze, instalaci nebo montáží a dávejte hlavně pozor na výstražné a bezpečnostní pokyny. Pokud se nebudou dodržovat předpisy, může to mít za následek zranění osob nebo poškození nábytku / ohrožení bezpečnosti. Pokud byste měli potíže s instalací/montáží, kontaktujte náš servisní tým. Tento vám ochotně poradí a pomůže. Montáž smí provádět pouze kvalifikovaný personál. Při změnách na produktu/dílech produktu, při výměně nebo použití dílů/spotřebních materiálů, které nepocházejí od výrobce/prodejce, nepřejímáme žádnou odpovědnost za škody.</p> <p>Pokud jsou ke zboží přiloženy upevňovací prvky na zeď, jako jsou hmoždinky a šrouby, jsou tyto určeny výhradně pro použití na stěnách z pevných a jednotlivých materiálů. Upevnění je jen tak dobré, jak dobré je spojení mezi upevňovacím prostředkem a stěnou. Před upevněním musíte zkontrolovat vhodnost vaší stěny pro stojící i závěsný nábytek a použít pouze vhodné spojovací prvky. Před případným vrtáním se ujistěte, že se v oblasti vrtání nenachází elektrické vodiče. Nakonec je za upevnění na stěnu odpovědný instalační technik.</p> <p>Plati to také pro instalaci elektrických produktů a dalšího stavebně-technického příslušenství. Montáž/instalaci elektrických produktů a také dalšího důležitého konstrukčního příslušenství může provádět pouze autorizovaný kvalifikovaný personál. Veškeré elektrické a stavebně-technické instalace musí být provedeny v souladu s platnými normami a bezpečnostními předpisy ve vaší zemi. Pro světelné zdroje používejte pouze povolenou intenzitu osvětlení. Při nedodržení max. počtu Watt hrozí riziko požáru v důsledku přehřátí. Překrývání svítidel není povoleno z důvodu rizika požáru.</p> <p>Dokonálá funkce nábytku je zaručena pouze při vertikální a horizontální instalaci. Dveře jsou předem nastavené, můžou se ale znovu seřídit/nastavit na základě místních podmínek. Dodržujte údaje o hmotnosti pro maximální zatížení. Na nábytek se nesmí ležet. Při neodborném použití může dojít k převrácení nábytku. Aby se tomu zamezilo, musí být nábytek neustále zajištěn proti převrácení. Při přetížení/nadměrném přetížení (zejména hračkami si dětmi, lidmi, materiálem nebo jinými nevhodnými věcmi) hrozí riziko rozbití a zranění. Všechny šrouby a nosná spojovací místa by měla být dotažena po 5 až 6 týdnech, aby se zajistila trvalá stabilita.</p> <p>P E Ě C E: -Pokyny k péči o nábytek- Dodržujte naše pokyny pro správnou péči o nábytek, abyste si náš výrobek mohli užívat co nejdéle. Při čištění používejte čistý, suchý a měkký bavlněný hadřík. Pokud potřebujete váš nábytek důkladně vyčistění, můžete hadřík navlhčit trochou vody nebo čisticího prostředku na nábytek a pak vyčistěte věci vysušit. Kovové a skleněné díly se nejlépe čistí běžně dostupnými čisticími prostředky na kov a sklo podle pokynů, které jsou na nich uvedené. Na čisticích prostředcích musí být jasně uvedeno, že jsou vhodné k čištění nábytku. V žádném případě nepoužívejte parní čističe, žíraviny, abraziva nebo jiné prostředky, jejichž účinky neznáte.</p> <p>P O Z O R: Vysocí lesklé povrchy jsou při dodávce chráněny ochrannou fólií. Nechte fólii na nábytku, dokud nebude zcela smontován a zbaven prachu. Vysocí lesklé prvky, ze kterých byla odstraněna ochranná fólie, lze čistit a používat až po 72 hodinách (doba pro následné vytvrdění na okolním vzduchu). Povrchy nelze poškodit ostrými předměty a nikdy je nemůžete vystavovat silnému slunečnímu záření.</p> <p>L I K V I D A C E -Pokyny k likvidaci odpadu- V zájmu ochrany životního prostředí vyhazujte obalový odpad rozřizňací podle druhu do určených odpadkových/recyklačních nádob, v žádném případě nevyhazujte do přírody. Poškozený nebo nepoužitelný nábytek lze odeslat do speciálních sběrných zařízení k recyklaci jednotlivých dílů. Používaný, ale stále funkční nábytek není nutné hned likvidovat. Darujte je např. charitativním organizacím.</p> <p>Přejeme vám mnoho zábavy s vaším novým nábytkem.</p> | <p>Dear valued customer, Thank you for purchasing furniture from our interior programme, exclusively for use in private rooms. Please check the delivery for completeness, carefully read the following important information prior to assembly and retain it for future use, also by third parties.</p> <p>Our furniture may only be used as intended. Improper use can cause damage to property, or personal injury under certain circumstances. Furniture is not a toy. The manufacturer or distributor assumes no liability for damage caused by unintended use or improper handling.</p> <p>ATTENTION: Children or persons with a mental disability must be kept away from furniture components, sharp objects, small parts and packaging materials at all times. There is a risk of injury and/or suffocation.</p> <p>ASSEMBLY: Please observe our operating, assembly or installation instructions for assembly and observe the warnings and safety instructions in particular. Failure to follow instructions may lead to personal injury or damage to the furniture, and can pose a safety risk. Please contact our service team if you have problems with setup/assembly. They will be happy to help you. Assembly may only be carried out by competent persons. No liability for damage is assumed in case of changes to the product/product components or the replacement/use of parts/consumables not provided by the manufacturer/distributor. If wall mounting materials such as dowels or screws are included with the product, these are intended exclusively for use on solid walls made of uniform materials. Attachment is only as good as the connection between the mounting materials and the wall. For both standing and hanging furniture, check your wall for suitability prior to attachment and only use suitable mounting materials. Ensure there are no lines in the drilling zone before drilling any holes. Ultimately, the installer is responsible for the attachment to the wall.</p> <p>This also applies to the installation of electrical appliances and other structural accessories. The assembly/installation of electrical appliances and other structural accessories must be performed exclusively by authorised, qualified personnel. All electrical and structural installations must be carried out according to the respective applicable standards and safety regulations in your federal state. Only use approved illuminants for light sources. There is a risk of overheating and fire if the maximum wattage is exceeded. Covering illuminants is prohibited due to the risk of fire.</p> <p>Proper functioning of the furniture requires plumb and horizontal alignment. The doors are pre-adjusted, but may have to be readjusted due to local conditions. Be sure to observe the weight specifications for maximum loads. Climbing on furniture is prohibited. Furniture may tip over in case of improper use. To prevent this, furniture should always be secured against tipping over. There is a risk of breakage and injury in case of overloading (in particular by playing children, people, materials or other prohibited loads). All screws and load-bearing connections should be re-tightened after 5 to 6 weeks to ensure permanent stability.</p> <p>CARE: - Notes on furniture care - Please observe our information on proper furniture care to ensure you can enjoy our product for a long time. Use a clean, dry, soft cotton cloth for cleaning. If your furniture is heavily soiled, you may moisten the cloth with some water or furniture cleaner and dry the cleaned elements afterwards.</p> <p>Metal and glass components are best cleaned with conventional metal and glass cleaners according to the instructions provided for them. The cleaning agents must be clearly identified as being suitable for furniture care. Do not use steam cleaners, corrosive, scouring cleaning agents or other cleaners with unknown effects under any circumstances.</p> <p>ATTENTION: High-gloss surfaces are covered by a protective film on delivery. Leave this on the furniture until it has been fully assembled and dusted. Once the protective film is removed, high-gloss elements may only be cleaned and used after 72 hours (time for post-curing in room air).</p> <p>Do not damage surfaces with sharp objects and never expose them to strong sunlight.</p> <p>DISPOSAL - Notes on waste disposal - For the good of the environment, please sort the packaging for disposal, use the waste/recycling bins provided and do not litter. Damaged or unusable furniture can be recycled by special facilities for the recycling of components. Disused furniture that is still functional does not have to be discarded. Consider donating it to a charitable organisation.</p> <p>We hope you enjoy your new furniture.</p> |

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | FR ---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Estimado/a cliente:</p> <p>Le damos las gracias por haber adquirido un mueble de nuestra gama de interiores para uso exclusivo en espacios privados. Le rogamos que compruebe que el volumen de suministro esté completo, lea detenidamente la siguiente información importante antes del montaje y la conserve para su uso posterior, también por parte de terceros. Nuestros muebles deben utilizarse según el uso previsto. Un uso inadecuado puede provocar daños materiales o, en determinadas circunstancias, lesiones personales. Los muebles no son juguetes. El fabricante o el distribuidor no asumen ninguna responsabilidad por los daños causados por un uso no conforme al previsto o una manipulación incorrecta.</p> <p>CUIDADO: Los niños o las personas con discapacidades mentales deben mantenerse siempre alejados de los muebles, los objetos afilados, las piezas pequeñas y los materiales de embalaje; existe riesgo de lesiones y/o asfixia.</p> <p>MONTAJE: Para el montaje, siga nuestras instrucciones de uso, instalación o montaje y preste especial atención a las indicaciones de advertencia y seguridad. Si no se siguen las instrucciones, pueden producirse lesiones personales o daños en los muebles/riesgo de seguridad. Si tiene alguna dificultad durante el montaje/la instalación, póngase en contacto con nuestro equipo de atención al cliente. Este estará a su disposición para lo que necesite. El montaje solo deben realizarlo personas competentes. No se asume ninguna responsabilidad por daños en caso de modificaciones en el producto/los piezas del producto ni en caso de sustitución o uso de piezas/consumibles que no procedan del fabricante/distribuidor.</p> <p>Si la mercancía incluye fijaciones de pared, como tacos y tornillos, se utilizarán exclusivamente en paredes hechas con materiales sólidos y uniformes. Una fijación es tan buena como la conexión existente entre los elementos de fijación y la pared. Tanto para los muebles de pie como para los muebles altos, compruebe la idoneidad de la pared antes de fijarlos y utilice únicamente elementos de fijación adecuados. Si tiene que taladrar la pared, asegúrese de que no haya líneas de electricidad en la zona donde vaya a realizar los taladros. En última instancia, el instalador es responsable de la fijación a la pared.</p> <p>Esto también se aplica a la instalación de aparatos eléctricos y otros accesorios de construcción. El montaje/la instalación de aparatos eléctricos y otros accesorios relevantes para la construcción corresponden exclusivamente a personal especializado y autorizado.</p> <p>Todas las instalaciones eléctricas y estructurales deben realizarse de acuerdo con las normas y reglamentos de seguridad aplicables en su región. Asegúrese de que las bombillas utilizadas para las fuentes de luz tengan siempre la intensidad permitida. Si no se respeta el número de vatios máx., existe peligro de incendio por sobrecalentamiento. Se prohíbe cubrir las bombillas debido al peligro de incendio que esto supone.</p> <p>El correcto funcionamiento del mueble solo está garantizado si se instala a plomo y en horizontal. Las puertas están preajustadas, pero deben volver a alinearse/ajustarse en caso necesario según las condiciones locales. Es imprescindible tener en cuenta las indicaciones sobre la carga máxima. Se prohíbe subir a los muebles. En caso de uso inadecuado, los muebles pueden volcarse. Para evitarlo, se recomienda asegurar siempre los muebles para que no se caigan. En caso de sobrecargas (especialmente, por niños jugando, personas, material u otros factores inadecuados), existe riesgo de rotura y lesiones. Se recomienda apretar todos los tornillos y todos los puntos de unión sometidos a carga cada 5 o 6 semanas para garantizar una estabilidad duradera.</p> <p>CUIDADO: -Instrucciones para el cuidado de los muebles-</p> <p>Tenga en cuenta nuestras indicaciones sobre el correcto cuidado de los muebles para que pueda disfrutar de nuestro producto durante el mayor tiempo posible.</p> <p>Para la limpieza, utilice un paño de algodón limpio, seco y suave. Si sus muebles necesitan una limpieza a fondo, puede humedecer el paño con un poco de agua o limpiar/muebles y secar los muebles una vez limpios. Para limpiar las piezas de metal y cristal, lo mejor es utilizar productos de limpieza para metal y cristal disponibles en el mercado siguiendo las instrucciones de cuidado que figuran en ellos. Los productos de limpieza deben indicar claramente que son aptos para el cuidado de muebles. No utilice nunca limpiadores de vapor ni productos corrosivos, abrasivos o de otro tipo cuyos efectos desconozca.</p> <p>CUIDADO: Las superficies de alto brillo están protegidas por una película protectora en el momento de la entrega. Déjela en el mueble hasta que esté este completamente montado y libre de polvo. Los elementos de alto brillo a los que se les ha retirado la película protectora solo pueden limpiarse y utilizarse después de 72 horas (tiempo de poscurado en aire ambiente).</p> <p>No dañen las superficies con objetos afilados ni exponerlas a la luz solar fuerte bajo ninguna circunstancia.</p> <p>ELIMINACIÓN-Instrucciones sobre la eliminación de residuos-</p> <p>Por el bien del medioambiente, le rogamos que deposite los residuos de los envases clasificados por tipo en los contenedores de basura/reciclaje previstos, y no en la naturaleza.</p> <p>Los muebles dañados o inutilizables pueden llevarse a puntos de recogida especiales para el reciclaje de sus distintos componentes.</p> <p>Los muebles que estén desgastados, pero sean siendo funcionales no tienen por qué eliminarse. Puede llevarlos, por ejemplo, a organizaciones benéficas.</p> <p>Esperamos que disfrute de su mueble nuevo.</p> | <p>Chères clientes, chers clients, merci d'avoir acheté un meuble de notre gamme Espace intérieur pour l'usage exclusif dans des locaux privés. Veuillez vérifier que le contenu de la livraison est complet et lire attentivement les informations importantes ci-dessous avant le montage, et conservez-les soigneusement pour d'éventuelles applications/utilisations ultérieures, y compris par des tiers. Nos meubles doivent être utilisés de manière conforme à leur destination. Une utilisation non conforme à la destination peut entraîner des dommages matériels ou dans certains cas des préjudices corporels. Les meubles ne sont pas des jouets destinés aux enfants. Le fabricant ou le distributeur décline toute responsabilité pour des dommages résultant d'une utilisation non conforme ou d'une manipulation erronée.</p> <p>ATTENTION : Les enfants et les personnes handicapées mentales doivent toujours être tenus à distance des éléments de mobilier, des objets pointus, des petites pièces et des matériaux d'emballage en raison d'un risque de blessure et/ou d'étouffement.</p> <p>MONTAGE : Lors du montage, veuillez suivre notre mode d'emploi, nos instructions d'exploitation, d'installation ou de montage et respectez notamment les avertissements et consignes de sécurité. Le non-respect des consignes peut entraîner des blessures des personnes ou des endommagements du meuble, constituer un risque pour la sécurité. Si vous rencontrez des difficultés de montage/ assemblage, veuillez contactez notre équipe de service clientèle. Elle est à votre entière disposition pour vous aider et vous conseiller. Le montage doit être effectué uniquement par des personnes qualifiées. Aucune responsabilité ne peut être assumée pour des dommages résultant de modifications apportées au produit ou à des parties du produit, du remplacement ou de l'utilisation de pièces/de fournitures qui n'ont pas été acquises auprès du fabricant/ du distributeur. Lorsque le produit est accompagné d'éléments de fixation murale tels que des chevilles et des vis, ces éléments sont exclusivement destinés à être utilisés sur des murs en matériaux massifs et homogènes. Une fixation n'est bonne que si la liaison entre les éléments de fixation et le mur est bonne. Avant la fixation au mur de meubles, qu'ils soient posés verticalement ou suspendus, veuillez vérifier l'aptitude de votre mur à cet effet et n'utiliser que des moyens de fixation appropriés. Avant de procéder à des travaux de perçement, assurez-vous qu'il n'y a pas de conduites dans la zone de perçement. En dernier ressort, c'est le monteur qui est responsable de la fixation au mur. Cela concerne également l'installation d'appareils électriques et autres accessoires architectoniques.</p> <p>L'assemblage / l'installation d'appareils électriques et autres accessoires de construction ne doivent être effectués que par un personnel autorisé. Toutes les installations électriques et architectoniques doivent être exécutées dans le respect des normes et règles de sécurité en vigueur de votre Land. Concernant les lumineuses, n'utilisez que des puissances d'ampoules autorisées. En cas de non-respect du wattage maximal, il existe un risque d'incendie par surchauffe. Il est interdit de recouvrir les ampoules en raison du risque d'incendie. Le fonctionnement sans problème du meuble n'est garanti qu'en cas d'installation verticale et horizontale. Les portes sont prérégulées, mais doivent être neu réalignées / ajustées si nécessaire en fonction des conditions locales. Respectez impérativement les spécifications en matière de poids concernant la charge maximale. Il est interdit de monter sur les meubles. En cas d'utilisation non conforme, il peut arriver que les meubles basculent. Afin d'éviter ce risque, les meubles doivent toujours être sécurisés contre le basculement. Il existe un risque de rupture et de blessure en cas de surcharges/ sollicitations excessives (notamment causées par des enfants qui jouent, des personnes, du matériel ou d'autres influences inappropriées). Afin de garantir une stabilité durable, toutes les vis et les points de raccordement porteurs doivent être resserrés après 5 à 6 semaines.</p> <p>ENTRETIEN : -Consignes d'entretien du mobilier-</p> <p>Veuillez respecter nos instructions pour l'entretien correct du meuble afin que vous profitiez le plus longtemps possible de notre produit. Pour le nettoyage, utilisez un chiffon en coton propre, sec et doux. Si vos meubles ont besoin d'un nettoyage approfondi, vous pouvez humidifier le chiffon avec un peu d'eau et sécher ensuite les éléments nettoyés. Pour les parties en métal et en verre, il est préférable d'utiliser les produits de nettoyage usuels du commerce pour le métal et les vitres en respectant les conseils d'entretien indiqués sur ces produits. Ces produits de nettoyage doivent clairement porter la mention indiquant qu'ils sont appropriés pour l'entretien des meubles.</p> <p>N'utilisez en aucun cas de nettoyeur à vapeur, ni de produits corrosifs, abrasifs et autres produits dont vous ne connaissez pas les effets.</p> <p>ATTENTION : Lors de la livraison, les surfaces haute brillance sont protégées par un film de protection. Laissez-les sur le meuble jusqu'à ce qu'il soit entièrement monté et débarrassé de la poussière. Les éléments haute brillance dont le film protecteur a été enlevé ne doivent être nettoyés et utilisés qu'après 72 heures (temps de durcissement à l'air ambiant). Ne pas endommager les surfaces avec des objets acérés et ne les exposez en aucun cas à un rayonnement solaire intense.</p> <p>ÉLIMINATION -Consignes pour l'élimination des déchets-</p> <p>Afin de protéger l'environnement, veuillez éliminer les déchets d'emballage triés selon leur nature dans les poubelles de déchets/de recyclage et non dans la nature. Les meubles endommagés ou inutilisables peuvent être amenés dans des centres de récupération aux fins du recyclage des pièces détachées. Les meubles usagés, mais encore fonctionnels ne doivent pas être éliminés tout de suite. Faites-en don p. ex. à des organisations de bienfaisance.</p> <p>Nous vous souhaitons beaucoup de plaisir avec votre nouveau meuble.</p> | <p>Poštovani,</p> <p>hvala vam na kupnji komada namještaja iz našeg asortimana za interijere i za uporabu u privatnim prostorima. Molimo provjerite imate li sve potrebne dijelove i pažljivo pročitatite sljedeće važne informacije prije montaže te sačuvajte ove upute za kasniju upotrebu, također i za treće osobe.</p> <p>Naš namještaj treba se koristiti sukladno njegovoj namjeni. Nepravilna uporaba može dovesti do oštećenja imovine ili osobnih ozljeda. Namještaj nije djeca igračka. Proizvođač ili prodavač ne preuzima odgovornost za štetu uzrokovanu eventualnom nepravilnom uporabom ili rukovanjem.</p> <p>OPREZ: Djecu ili osobe s intelektualnim teškoćama uvijek treba držati podalje od dijelova namještaja, šiljatih predmeta, silnih dijelova i materijala za pakiranje jer postoji opasnost od ozljeda i/ili gušenja.</p> <p>MONTAJA: Tijekom montaže slijedite naše upute za rad, rad, instalaciju ili montažu i obratite posebnu pozornost na upozorenja i sigurnosne upute. Nepoštivanje uputa može dovesti do tjelesnih ozljeda ili oštećenja namještaja ili ugroziti vašu sigurnost. Ako imate poteškoća s postavljanjem i montažom, obratite se našem servisnom timu. Oni su vam na raspolaganju za savjete ili bilo kakvu pomoć. Montažu smiju izvoditi samo stručne osobe. Ne prihvaćamo odgovornost za štetu u slučaju promjena na proizvodu/dijelovima proizvoda, zamjene ili uporabe dijelova/potrošnog materijala koji ne potječu od proizvođača/trgovaca.</p> <p>Ako su uz robu priloženi i zidni učvršćivači kao što su tiple i vijci, oni su namijenjeni isključivo za korištenje na zidovima od čvrstih i kompaktnih materijala. Učvršćenje je zadovoljavajuće ako je dobra veza između sredstva za učvršćivanje i zida. Molimo provjerite prikladnost vašeg zida za stojeći i viseći namještaj prije nego ga pričvrstite i koristite samo odgovarajuće učvršćivače. Prije radova na bušenju, provjerite da u području bušenja nema električnih vodova. U konačnici, instalater je odgovoran za pričvršćivanje na zid.</p> <p>To se također odnosi i na ugradnju električnih elemenata i drugih strukturnih podataka. Montažu/instalaciju električnih elemenata i ostalih podataka smije izvoditi samo ovlašteno stručno osoblje. Sve električne i strukturne instalacije moraju biti izvedene u skladu s važećim standardima i sigurnosnim propisima u vašoj državi. Za izvore svjetlosti koristite samo dopuštene jačine osvjjetljenja. Ako se ne poštuje maksimalna snaga, postoji opasnost od požara zbog pregrijavanja. Pokrivanje svjetiljki nije dopušteno zbog opasnosti od požara.</p> <p>Savršena funkcija namještaja zajamčena je samo ako je postavljen okomito i vodoravno. Vrata su unaprijed podešena, ali će ih možda trebati ponovno poravnati/podesiti zbog lokalnih uvjeta. Molimo pridržavajte se specifikacija težine za maksimalno opterećenje. Penjanje na namještaj je zabranjeno. Nepravilno korištenje može dovesti do prevrtanja namještaja. Kako biste to spriječili, namještaj uvijek treba osigurati od prevrtanja. Postoji opasnost od loma i ozljeda u slučaju preopterećenja (osobito uslijed dječje igre, ljudi, materijala ili drugih neprikladnih utjecaja). Sve vijke i nosive spojne točke potrebno je zategnuti nakon 5 do 6 tjedana kako bi se osigurala trajna stabilnost.</p> <p>ODŽAVANJE:</p> <p>-Napomene o njezi namještaja-</p> <p>Slijedite naše upute o pravilnoj njezi namještaja kako biste što dulje mogli uživati u našem proizvodu.</p> <p>Prilikom čišćenja koristite čistu, suhu i meku pamučnu krpu. Ako vaš namještaj treba temeljito čišćenje, možete navlažiti krpu u malo vode ili sredstva za čišćenje namještaja, a zatim osušite očišćene predmete. Metalne i staklene dijelove najbolje je čistiti komercijalno dostupnim sredstvima za čišćenje metala i stakla prema priloženim uputama za njegu. Sredstva za čišćenje moraju imati jasnu naznaku o prikladnosti za čišćenje namještaja.</p> <p>Ni u kojem slučaju ne smijete koristiti pame čistače, nagrizajuća, abrazivna ili druga sredstva ako niste sigurni u njihov način djelovanja.</p> <p>OPREZ: Površine visokog sjaja su pri isporuci zaštićene zaštitnom folijom. Ostavite ih na namještaju dok se potpuno ne sastavi i ne očisti od prašine. Elementi visokog sjaja s kojih je uklonjena zaštitna folija smiju se čistiti i koristiti tek nakon 72 sata (vrijeme naknadnog stvrdnjavanja na okolnom zraku).</p> <p>Ne oštećujte površine oštrim predmetima i ne izlažite ih jakom suncu.</p> | <p>Tisztelt Ügyfelünk!</p> <p>Köszönjük, hogy beltéri programunkban szereplő bútór vásárlása mellett döntött, amely kizárólag privát helyiségekben történő használatra készült. Ellenőrizze a szállítmány hiánytalanságát, és figyelmen kívül hagyja az alábbi fontos információkat az összeszerelés előtt, valamint tartsa meg ezeket későbbi használat céljából, bárki számára.</p> <p>Bútordarabjainkat rendeltetészerűen kell használni. A nem rendeltetészerű használat dólogi károkat vagy bizonyos körülmények között személyi sérüléseket okozhat. A bútor nem játék. A gyártó vagy a kereskedő nem vállal felelősséget olyan károsodásokért, amelyek a nem rendeltetészerű használat vagy a helytelen kezelés miatt keletkeztek.</p> <p>FIELEM: Gyerekek és szellemi fogyatékkal élő felnevelték mindig távol kell tartani bútorkalkátszektől, hegyes tárgyaktól, kísérteül alkátrészektől és csomagolóanyagoktól. Sérülés- és fulladásveszély áll fenn. ÖSSZESZERELÉS: Összeszereléskor nézze meg az utasításokat az üzemeletelési, kezelési, telepítési vagy szerelési útmutatóinkban, valamint különösen ügyeljen a figyelemreztetésekre és biztonsági utasításokra. Amennyiben nem tartja be az utasításokat, az személyi sérülést vagy bútorkárosadást eredményezhet/biztonsági kockázattá válhat. Amennyiben felépítéskor/összeszereléskor nehézségei vannak, forduljon szervizcsapatunkhoz. Mindig készséggel állnak rendelkezésre. Az összeszerelést csak szakmailag hozzáértő személyek végezhetik el. A termék/termékrészek módosításai esetén, alkátrészek cserejei, illetve nem a gyártótól/kereskedőtől származó alkátrészek/fogyóanyagok használatakor a károsodásokért nem vállalunk felelősséget.</p> <p>Ha az áruhoz fál rögzítészközök, például dübelek és csavarok vannak mellékelve, azok kizárólag erős és egységes anyagok falakon történő alkalmazásához valók. A rögzítés csak úgy megfelelő, amennyire a fal és a rögzítészköz közötti kapcsolat. Na csak áll, hanem függőszettelt bútorok esetén is ellenőrizze azok falra rögzítése előtt, hogy azok erre alkalmasak-e, valamint csak ehhez megfelelő rögzítészközöket használjon. Esetleges fúrási munkák esetén bizonyosodjon meg róla, hogy a fúrás területén nincsenek vezetékek. Végeztül a szerelő felelős a falra történő rögzítésért.</p> <p>Ez az elektromos cikkek, valamint más építészeti tartozékok telepítésére is érvényes. Az elektromos cikkek, valamint más, építéshez kapcsolódó tartozékok összeszerelését/telepítését csak arra feljogosított szakemberek végezhetik. Minden elektromos és építészeti telepítést az Önök országában hatályos vonatkozó szabványok, illetve biztonsági előírások szerint kell elvégezni. Fényforrások esetén csak megengedett izzóerősségeket állíson be. A maximális teljesítmény be nem tartása esetén a túlmelegedés miatt tűzveszély áll fenn. A tűzveszély miatt az izzó tilos letakarni.</p> <p>A bútor kifogástalan működőképessége csak függőleges és vízszintes felállítás esetén biztosított. Az ajtók előzetesen be vannak állítva, de szükség esetén a helyi körülményeknek megfelelően újra beállíthatók/beigazíthatók. Feltétlenül tartsa be a maximális terhelésre vonatkozó súlyadatokat. A bútorokra tilos felmászni. Szakszerűtlen kezelés esetén a bútordarabok felborulhatnak. Ennek megelőzése érdekében a bútorokat mindig biztosítani kell felborulás ellen. Túlterhelés/túlzott igénybevétel esetén (különösen játszó gyerekek, emberek, anyag vagy egyéb szakszerűtlen behatások miatt) törés- és sérülésveszély áll fenn. Minden csavaron, valamint teherhordó kapcsolódási helyen 5-6 hétig utána kell néznie, a tartósan biztos rögzítés biztosítása céljából.</p> <p>APÓLÁS: -Bútórálóási utasítások-</p> <p>Vegye figyelembe a helyes bútórálóásra vonatkozó utasításainkat, hogy a lehető leghosszabb ideig örömet lelj a termékünkben.</p> <p>Tisztítsák tisztá, száraz, puha pamutkendő használon. Ha bútor alkalmasabb tisztítást igényel, akkor a kendőt kevés vízzel vagy bútóráló szerrel megnedvesítheti, végül a megtisztított elemeket szárítsa meg. A fém- és üvegalkatrészeket a legjobb, ha kereskedelmi forgalomban kapható fém- és üveg tisztítószerrel, a rajtuk szereplő ápolási utasításoknak megfelelően tisztítsa. A tisztítószernek rendelkeznie kell egyértelmű utalással arra vonatkozóan, hogy a szer bútórálóásra megfelelő.</p> <p>Semmilyen körülmények között se használjon gőzőlős tisztító, se maró, dörzslő hatású, vagy egyéb olyan szert, amelynek nem ismeri a hatását.</p> <p>FIELEM: A magafényfelületet kiszállításkor védőfóliá óvja. Ezeket addig hagyja rajta a bútoron, amíg azt teljesen össze nem szerelik, és nem portalanítják. A magafényfelület elemeket, amelyekről eltávolították a védőfóliát, csak 72 óra elteltével (a helyiség levegőjén történő utólagos keményedés ideje) szabad tisztítani vagy használni.</p> <p>Ne sértse meg a felületeket éles tárgyakkal, és soha ne tegye ki erős napugárázásnak.</p> <p>HULLADÉKKEZELÉS -Hulladékkézelésre vonatkozó tudnivalók-</p> <p>A környezet védelme céljából a csomagolási hulladékok fájta szerint szétválogatva tegye az arra szolgáló hulladékgyűjtőbe/újrahasznosító konténerbe, ne a természetbe dobja.</p> <p>A sérült vagy használhatatlan bútort arra kijelölt újrahasznosító létesítményben adja le, ahol az egyes alkátrészeit újrahasznosítják.</p> <p>A leselejtezett, de még használható bútorokat nem kell azonnal a hulladékbá kidobni. Adománként leadhatja pl. jótékonyssági szervezeteknél.</p> |
|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| <p>Gentile cliente, ti ringraziamo per aver acquistato un mobile della nostra gamma di interni ad uso esclusivo per locali privati. Prima di procedere all'installazione ti preghiamo di verificare la completezza della fornitura, leggere attentamente le informazioni essenziali riportate di seguito e conservare l'apposito manuale per un uso successivo, anche da parte di terzi.</p> <p>I nostri mobili devono essere utilizzati secondo lo scopo previsto. L'uso improprio può causare danni materiali o lesioni personali. I mobili non sono adatti per far giocare i bambini. Pertanto il produttore o il rivenditore non si assume alcuna responsabilità per danni causati da un uso improprio o da una manipolazione errata.</p> <p>ATTENZIONE: tenere lontano bambini e persone affetti da disabilità intellettive da componenti dei mobili, oggetti appuntiti, minuterie e materiali di imballaggio, poiché sussiste il rischio di lesioni e/o soffocamento.</p> <p>MONTAGGIO: durante il montaggio, attenersi alle istruzioni operative, di funzionamento, di installazione o montaggio da noi rilasciate e prestare particolare attenzione alle avvertenze e alle indicazioni in materia di sicurezza.</p> <p>L'inosservanza delle istruzioni può causare lesioni personali o danni ai mobili/riverlarsi un pericolo ai fini della sicurezza.</p> <p>In caso di difficoltà con l'assemblaggio/il montaggio, contattare il nostro team di assistenza che sostiene l'utente fornendogli consigli e iniziative da intraprendere. Il montaggio è consentito esclusivamente al personale competente. Pertanto non ci assumiamo responsabilità per danni causati da modifiche al prodotto/alte parti del prodotto, sostituzione o utilizzo di parti/materiali di consumo che non vengano effettuate dal produttore/rivenditore.</p> <p>Qualora la fornitura della merce comprende elementi di fissaggio a parete come tasselli e viti, tali elementi sono destinati esclusivamente all'uso su pareti realizzate con materiali solidi e uniformi. Un fissaggio è da considerarsi buono tanto quanto il collegamento tra l'elemento e la parete. Verificare pertanto l'idoneità della parete sia per i mobili da terra o a sospensione prima di eseguire il fissaggio e utilizzare solo elementi di fissaggio adeguati.</p> <p>Prima di eventuali lavori di perforazione, assicurarsi che non vi siano cavi nell'area interessata. Sostanzialmente, l'installatore si assume la responsabilità del fissaggio alla parete.</p> <p>Ciò vale anche per l'installazione di articoli elettrici e altri accessori strutturali. Il montaggio/l'installazione di articoli elettrici e altri accessori correlati all'edilizia è consentito esclusivamente a specialisti autorizzati. Tutte le installazioni di tipo elettrico e ingegneristico devono essere eseguite conformemente agli standard e alle normative di sicurezza applicabili nel proprio stato. Per le sorgenti luminose, utilizzare solo la potenza consentita. Se il wattaggio massimo non viene rispettato, è possibile l'insorgere di incendi per surriscaldamento. Non è consentito coprire le lampadine poiché ciò provocherebbe un pericolo di incendio.</p> <p>La perfetta funzionalità del mobile è garantita solo se è posizionato in verticale o in orizzontale. Le porte sono pre-allineate, ma potrebbe essere necessario un riallineamento o una regolazione in base alle condizioni locali. Attenersi alle specifiche di peso per il carico massimo. Non è consentito arrampicarsi ai mobili. Un uso improprio potrebbe causare il ribaltamento. Per evitare ciò, mettere al sicuro i mobili da eventuali ribaltamenti. In caso di sovraccarichi/sollecitazioni sussiste il rischio di infortuni e di lesioni (in particolare a causa di bambini che giocano, persone, materiali o impieghi di altra natura inappropriati). Tutte le viti e i punti di collegamento portanti devono essere nuovamente serrati dopo 5-6 settimane al fine di garantire una stabilità permanente.</p> <p>MANUTENZIONE: -Note sulla cura dei mobili-</p> <p>Prestare attenzione alle nostre informazioni sulla corretta cura dei mobili in modo da poter garantire il più possibile una lunga durata del prodotto.</p> <p>Per la pulizia, utilizzare un panno di cotone pulito, asciutto e morbido. Se i mobili necessitano di una pulizia accurata, è possibile inumidire il panno con un po' d'acqua o un detergente per mobili e poi asciugare gli elementi puliti. È più conveniente pulire le parti in metallo e vetro con adeguati detersivi disponibili in commercio secondo le istruzioni per la manutenzione disponibili. I detersivi devono recare una chiara indicazione della loro idoneità alla pulizia dei mobili.</p> <p>È vietato utilizzare pulitori a vapore, caustici, abrasivi o altri agenti dei quali non si conoscono gli effetti.</p> <p>ATTENZIONE: al momento della consegna le superfici lucide sono protette da una pellicola protettiva. Lasciare la pellicola sui mobili finché non è completamente assemblato ed esente di polvere. Soltanto dopo 72 ore (periodo di post-polimerizzazione nell'aria ambiente) sarà possibile pulire e utilizzare gli elementi lucidi dai quali è stata rimossa la pellicola protettiva.</p> <p>Non danneggiare le superfici con oggetti appuntiti e non esporle mai a forti irraggiamenti solari.</p> <p>SMALTIMENTO -Note sullo smaltimento dei rifiuti-</p> <p>Per il bene dell'ambiente, è necessario smaltire i rifiuti di imballaggio differenziati per tipologia negli appositi cassonetti per rifiuti e non disperderli in natura.</p> <p>I mobili danneggiati o inutilizzabili possono essere inviati presso degli impianti speciali di trattamento per il riciclaggio delle singole parti.</p> <p>I mobili in disuso ma ancora funzionali non devono essere smaltiti immediatamente. È possibile donarli, ad esempio, a degli enti di beneficenza.</p> <p>Ci auguriamo che ti possa trovare bene con il nostro prodotto.</p> | <p>Geachte klant,</p> <p>Bedankt voor de aankoop van een meubel uit ons interieurassortiment voor exclusief gebruik in privéruimten. Gelieve de levering te controleren op volledigheid en lees de volgende belangrijke informatie aandachtig vóór de installatie en bewaar deze voor later gebruik, ook door derden.</p> <p>Onze meubelen dienen te worden gebruikt waarvoor ze bedoeld zijn. Onbedoeld gebruik kan leiden tot materiële schade of persoonlijke letsel. Meubels zijn geen kinderspeelgoed. De fabrikant of handelaar aanvaardt geen aansprakelijkheid voor schade veroorzaakt door onbedoeld gebruik of onjuiste hantering.</p> <p>OPGELET: Houd kinderen of mensen met een verstandelijke beperking altijd uit de buurt van meubelonderdelen, puntige voorwerpen, kleine onderdelen en verpakkingsmaterialen, omdat er gevaar voor letsel en/of verstikking bestaat.</p> <p>MONTAGE: Volg tijdens de montage onze gebruiks-, bedienings-, installatie- of montage-instructies en let in het bijzonder op waarschuwingen en veiligheidsinstructies. Het niet opvolgen van de instructies kan leiden tot persoonlijke letfels of schade aan meubels of een veiligheidsrisico opleveren. Indien je problemen hebt met de installatie/montage, neem dan contact op met ons serviceteam. Dit staat steeds aan je zijde met raad en daad. De montage mag alleen worden uitgevoerd door bevoegde personen. Wij zijn niet aansprakelijk voor schade bij wijzigingen aan het productie/ productonderdelen, bij vervanging van onderdelen of gebruik van onderdelen/verbruiksartikelen die niet afkomstig zijn van de fabrikant/handelaar.</p> <p>Indien de goederen vergezeld gaan van wandbevestigingen zoals pluggen en schroeven, zijn deze uitsluitend bestemd voor gebruik op wanden uit massieve en uniforme materialen. Een bevestiging is maar zo stevig als de verbinding tussen het bevestigingsmiddel en de wand. Controleer de geschiktheid van je wand bij zowel staande als hangende meubels voordat je deze bevestigt en gebruik alleen geschikte bevestigingsmiddelen. Zorg er vóór je gaat boren voor dat er zich geen kabels in het boorgebied bevinden. Uiteindelijk is de installateur verantwoordelijk voor de bevestiging aan de muur.</p> <p>Dit geldt ook voor de installatie van elektrische apparaten en andere structurele accessoires. De montage/installatie van elektrische apparaten en andere bouwgerelateerde accessoires mag alleen gebeuren door bevoegd vakpersoneel. Alle elektrische en structurele installaties moeten worden uitgevoerd in overeenstemming met de geldende normen en veiligheidsvoorschriften in je land. Gebruik voor lichtbronnen alleen toegestane lichtsterkten. Indien het maximale wattage niet in acht wordt genomen, is er een risico op brandgevaar door oververhitting. Het is vanwege brandgevaar niet toegestaan lampen af te dekken. De correcte werking van het meubel is alleen gegarandeerd wanneer het verticaal en horizontaal loodrecht is opgesteld. De deuren zijn vooraf afgesteld, maar moeten mogelijk worden uitgelijnd/afgesteld vanwege lokale omstandigheden. Hou je aan de gewichtsspecificaties voor de maximale belasting. Meubels mogen niet worden beklommen. Onbedoeld gebruik kan ertoe leiden dat meubels omkantelen. Om dit te voorkomen, moeten meubels altijd worden beveiligd tegen omkantelen. Bij overbelasting (met name door spelende kinderen, mensen, materiaal of andere oneigenlijke invloeden) bestaat gevaar voor materiële schade en persoonlijke letfels. Alle schroeven en dragende verbindingen moeten na 5 tot 6 weken worden aangedraaid om een blijvende stabiliteit te garanderen.</p> <p>ONDERHOUD:</p> <p>-Opmerkingen over meubelonderhoud-</p> <p>Leef onze tips voor het juiste meubelonderhoud na, zodat je zo lang mogelijk van ons product kunt genieten.</p> <p>Gebruik bij het schoonmaken een schone, droge en zachte katoenen doek. Als je meubels een grondige reiniging nodig hebben, kun je de doek vochtig maken met een beetje water of meubelreiniger en daarna de schoongemaakte elementen droog maken. Metalen en glazen onderdelen reinig je het beste met in de handel verkrijgbare metaal- en glasreinigers volgens de onderhoudsinstructies die erop staan vermeld. Op de schoonmaakmiddelen moet duidelijk zijn vermeld dat ze geschikt zijn voor het onderhoud van meubelen.</p> <p>Gebruik in geen geval stoomreinigers, bijtende, schurende of andere middelen waarvan je het effect niet kent.</p> <p>OPGELET: Hoogglansoppervlakken worden bij de levering beschermd door een beschermfolie. Laat deze op het meubel totdat dit volledig gemonteerd is verwijfrij. Hoogglanselementen waarvan de beschermfilm is verwijderd, mogen pas na 72 uur worden gereinigd en gebruikt (na-uthardingstijd in omgevingslucht).</p> <p>Beschadig oppervlakken niet met scherpe voorwerpen en sel deze nooit bloot aan sterk zonlicht.</p> <p>VERWIJDERING</p> <p>-Opmerkingen over afvalverwerking-</p> <p>Deponeer het verpakkingsafval milieubewust gesorteerd in de daarvoor bestemde afval-/recyclingbakken en niet in de natuur.</p> <p>Beschadigde of onbruikbare meubels kunnen naar speciale inzamelpunten worden gebracht voor de recycling van afzonderlijke onderdelen.</p> <p>Afgedankte maar nog steeds functionele meubelen hoeven niet meteen te worden weggegooid. Doneer deze b.v. aan goede doelen.</p> <p>Wij wensen je veel plezier met je nieuwe meubel.</p> | <p>Szanowni Klienci, Szanowny Kliencie,</p> <p>dziękujemy za zakup mebla z naszej wntęrzarskiej oferty do wyłączonego użyciu w pomieszczeniach prywatnych. Prosimy sprawdzić dostawę pod kątem kompletności oraz uważnie przeczytać poniższe ważne informacje przed montażem i zachować je do późniejszego wykorzystania, również przez osoby trzecie.</p> <p>Nasze meble należy użytkować zgodnie z przeznaczeniem. Użytkowanie niezgodne z przeznaczeniem może skutkować uszkodzeniem mienia lub też, w niektórych przypadkach, do obrażeń ciała. Meble nie są zabawkami dla dzieci. Producent ani sprzedawca nie ponoszą odpowiedzialności za szkody, powstałe w wyniku użytkowania niezgodnego z przeznaczeniem lub niewłaściwego stosowania.</p> <p>U W A G A: Dzieci lub osoby z niesprawnością umysłową należy zawsze chronić przed częściami mebli, ostrymi przedmiotami, drobnymi elementami i materiałami opakowaniowymi, ponieważ istnieje ryzyko powstania obrażeń i/lub uduszenia.</p> <p>M O N T A Ż: Podczas montażu należy stosować się do naszych instrukcji obsługi, użytkowania, instalacji i montażu ze szczególnym uwzględnieniem ostrzeżeń i wskazań dotyczących bezpieczeństwa. Nieprzestrzeganie wskazań może prowadzić do powstania obrażeń ciała lub uszkodzenia mebli / stać się zagrożeniem dla bezpieczeństwa. W razie problemów ze składaniem / montażem prosimy o kontakt z naszym działem serwisowym. Służmy Państwu radą i pomocą. Montażu może dokonywać wyłącznie kompetentny personel. Nie ponosimy odpowiedzialności za szkody w przypadku wprowadzenia zmian w produkcie/części produktu, wymiany lub zastosowania części / materiałów eksploatacyjnych, które nie pochodzą od producenta/sprzedawcy.</p> <p>Eventualnie dołączone do towaru mocowania ścienne, takie jak kołki i wkrety, przeznaczone są wyłącznie do stosowania na ścianach wykonanych z solidnych i jednolitych materiałów. Montaż jest na tyle solidny, na ile solidne jest połączenie między mocowaniem a ścianą. Przed przycmowaniem stojących i wiszących mebli należy najpierw sprawdzić, a czy dana ściana się do tego nadaje, a także używać wyłącznie odpowiednich mocowań. Przed przystąpieniem do ewentualnego wiercenia należy się upewnić, że w obszarze wiercenia nie przebiegają przewody. Docelowo to montażysta odpowiada za mocowanie do ściany.</p> <p>Dotyczy to też instalacji artykułów elektrycznych oraz innych elementów konstrukcyjnych. Montaż / instalacji artykułów elektrycznych oraz innych elementów konstrukcyjnych może dokonywać wyłącznie autoryzowany personel specjalistyczny. Wszelkie instalacje elektryczne i konstrukcyjne muszą być wykonane zgodnie z obowiązującymi normami i przepisami bezpieczeństwa w Państwa kraju. W przypadku źródeł światła należy stosować wyłącznie dozwolone oświetlenie światła. Przekroczenie maksymalnej mocy sterzenia ryzyko pożaru z powodu przegrzania. Zasilanie lamp jest zabronione ze względu na ryzyko pożaru.</p> <p>Prawidłowe funkcjonowanie mebla jest gwarantowane tylko w przypadku gdy prawidłowego pionowego i poziomego ustawienia. Drzwi zostały wstępnie wyregulowane, ale ze względu na warunki lokalne należy je ewentualnie ustawić na nowo / wyregulować! Należy przestrzegać informacji dotyczących wagi dla maksymalnego obciążenia. Nie wolno wpiąć się na meble. Niewłaściwe użytkowanie może spowodować przewrócenie się mebli. Aby temu zapobiec, meble należy zawsze zabezpieczyć przed przewróceniem. W przypadku przeciążenia/ nadmiernego obciążenia (w szczególności z powodu bawiących się dzieci, ludzi, materiałów lub innych niewłaściwych wpływów) istnieje ryzyko złamania i obrażeń. Wszystkie szruby i nośne elementy łączące należy dokręcić po 5-6 tygodniach, aby zapewnić trwałą stabilność.</p> <p>P I E Ł E G N A C J A -Wskazówki dotyczące pielęgnacji mebli- Należy przestrzegać naszych wskazań dotyczących właściwej pielęgnacji mebli, aby móc jak najdłużej cieszyć się naszym produktem.</p> <p>Do czyszczenia używać czystej, suchej i miękkiej ściereczki bawełnianej. Jeśli meble wymagają gruntownego czyszczenia, mogą Państwo zwinąć ściereczkę wodą lub środkiem do czyszczenia mebli, a następnie osuszyć czyszczące elementy. Elementy metalowe i szklane najlepiej czyścić używając dostępnych na rynku środków do czyszczenia mebli i szkła, zgodnie z zamieszczonymi na nich instrukcjami zastosowania. Środki czyszczące muszą zawierać wyraźną informację, że są one przeznaczone do czyszczenia mebli. W żadnym wypadku nie należy używać środków do czyszczenia parą, żrących, ściernych ani innych środków, których działanie nie jest znane.</p> <p>U W A G A: Powierzchnie o wysokim połysku są na czas transportu zabezpieczone folią ochronną. Folię należy pozostawić na meblu do czasu gdy całkowicie montażu i usunięcia z niego pyłu. Elementy o wysokim połysku, z których usunięto folię ochronną mogą czyścić i użytkować dopiero po 72 godzinach (czas twardnienia w powietrzu otoczenia).</p> <p>Nie uszkodzić powierzchni ostrymi przedmiotami, a w szczególności nie wystawiać a działanie silnych promieni słonecznych.</p> <p>U T Y L I Z A C J A -Wskazówki dotyczące utylizacji-</p> <p>W trosce o przyrodę prosimy utylizować materiały opakowaniowe z zastosowaniem segregacji odpadów wyrzucając je do odpowiednich pojemników na odpady / materiały recyklingowi, nie zaś bezpośrednio do środowiska naturalnego.</p> <p>Uszkodzone lub nienadające się do użytku meble można przekazać do specjalnych zakładów odzysku w celu recyklingu poszczególnych części.</p> <p>Używanych, ale nadal nadających się do użytku mebli nie potrzeba od razu wyrzucać. Można przekazać je na przykład organizacjom charytatywnym.</p> <p>Życzymy wiele zadowolenia z Państwa nowego mebla.</p> | <p>Stimată clientă, stimate client,</p> <p>Îți mulțumim pentru achiziția unei piese de mobilier din programul nostru de interior pentru utilizarea exclusivă în încăperi private. Vă rugăm să verificați integralitatea volumului livrării și să citiți cu atenție informațiile importante de mai jos înaintea montajului și să le păstrați pentru utilizarea ulterioară, inclusiv de către terți.</p> <p>Piesele noastre de mobilier trebuie să fie folosite conform destinației. Utilizarea neconformă destinației poate cauza daune materiale sau în anumite circumstanțe vătămări corporale. Piesele de mobilier nu sunt jucării. Producătorul sau comerciantul nu își asumă răspunderea pentru daune, care sunt provocate prin utilizarea neconformă destinației sau prin manipulare greșită.</p> <p>A T E N T I E: Copiii și persoanele cu handicap psihic trebuie să fie ținute întotdeauna la distanță față de piese de mobilier, obiecte ascuțite, piese mici și materiale de ambalaj, există pericolul de vătămare și/sau asfixiere.</p> <p>M O N T A J: Pentru montaj, vă rugăm să vă orientați după instrucțiunile noastre de funcționare, de operare, de instalare sau de montaj și să respectați în special avertismentele și indicațiile de siguranță. Dacă instrucțiunile nu au fost respectate, acest fapt poate să provoace leziuni la persoane sau daune la mobilier / pot să devină un risc de siguranță. Dacă aveți dificultăți la asamblare / montaj, vă rugăm să contactați echipa noastră de service. Aceasta vă stă alături cu sfaturi și asistență. Montajul poate fi efectuat numai de către persoane calificate. În cazul modificării la produs/piese ale produsului, în cazul schimbării, respectiv al înlocuirii pieselor / materialelor de consum, care nu provin de la producător/comerciant, nu se poate prelucra nicio răspundere pentru daune.</p> <p>Dacă marfa include mijloace de montare pe perete, precum dibluri și șuruburi, acestea sunt destinate exclusiv pentru utilizarea la pereți din materiale masive și unitare. O fixare este numai așa de bună ca legătura dintre mijlocul de fixare și perete. Vă rugăm să verificați atât în cazul pieselor de mobilier de sine stătătoare cât și al celor suspendate, înainte de fixarea lor, peretele dumneavoastră cu privire la adeverea în acest sens și utilizați numai mijloacele de montare adecvate. Înaintea eventualelor lucrări de găurire, asigurați-vă că nu se află cabluri în zona de găurire. În final, montatorul este responsabil pentru fixarea sigură de perete. Această privește și instalarea articolelor electrice, precum și celelalte accesorii tehnice constructive. Montarea / instalarea articolelor electrice, precum și a altor accesorii relevante constructiv trebuie să fie efectuate numai de personal calificat autorizat. Toate instalațiile electrice, precum și tehnice constructive trebuie să fie executate conform standardelor respective valabile, respectiv normelor de siguranță din țara dumneavoastră.</p> <p>sursele de lumină vă rugăm să folosiți numai intensitățile admisiile ale corpurilor de iluminat. În cazul nerespectării normului max. de Watt există pericol de incendiu din cauza supraîncălzirii. Trebuie să se omită acoperirea corpurilor de iluminat din cauza pericolului de incendiu.</p> <p>O funcționare perfectă a mobilierului este garantată numai în cazul unei amplasări verticale și orizontale. Ușile sunt ajustate în prealabil, însă trebuie eventuale alinate / reglate din nou din cauza condițiilor locale. Vă rugăm să respectați neapărat indicațiile de greutate privind sarcina maximă. Nu este permis să urcați pe mobilă. În cazul utilizării necorespunzătoare, poate să apară răsturnarea pieselor de mobilier. Pentru a preveni acest fapt, piesele de mobilier ar trebui asigurate întotdeauna împotriva răsturnării. În cazul suprasarcinilor/supraîncărcăturilor (în special prin copii care se joacă, oameni, materiale sau alte acțiuni necorespunzătoare) există pericolul de rupere și leziune. Toate șuruburile, precum și punctele de imbinare portante ar trebuie strânse din nou după 5 până la 6 săptămâni, pentru a asigura o stabilitate permanentă.</p> <p>Î N G R I J I R E -Indicații de îngrijire a mobiliei-</p> <p>Vă rugăm să respectați indicațiile noastre cu privire la îngrijirea corectă a mobiliei, astfel încât să vă bucurați cât de mult posibil de produsul nostru.</p> <p>Pentru curățare, utilizați o lavetă de bumbac curată, uscată și moale. Dacă mobilierul dumneavoastră necesită o curățare imediată, puteți să umeziți laveta cu puțină apă sau soluție de curățare a mobiliei și apoi să uscați elementele curățate. Cel mai bine curățați piesele din metal și sticlă cu soluții de curățare a metalelor și a sticlei uzuale din comerț conform instrucțiunilor de îngrijire de pe acestea. Soluțiile de curățare trebuie să poarte o indicație clară că sunt adecvate pentru îngrijirea mobiliei.</p> <p>În niciun caz nu folosiți aparate de curățare cu abur, precum și substanțe caustice, abrazive sau alte substanțe al căror efect nu îl cunoașteți.</p> <p>A T E N T I E: Suprafețele lucioase sunt protejate printr-o folie la livrare. Lăsați-o pe mobilă, până când este montată complet și curățată de praf. Elementele lucioase, de pe care s-a îndepărtat folia de protecție pot fi curățate și folosite abia după 72 ore (timp pentru întărire ulterioară la aerul din încăpere).</p> <p>Nu deteriorați suprafețele cu obiecte ascuțite și în niciun caz nu le expuneți radiației solare puternice.</p> <p>E L I M I N A R E -Indicații privind eliminarea deșeurilor-</p> <p>De dragul mediului înconjurător, vă rugăm să eliminați deșeurile de ambalaj pe sortimente în tomberioanele de deșeur/reciclare prevăzute în acest scop și nu în natură. Piesele de mobilier deteriorate sau inutilizabile pot fi predate la centre de reciclare speciale în scopul reciclării pieselor individuale.</p> <p>Piesele de mobilier scoase din uz, dar încă funcționale nu trebuie eliminate imediat. Donați-le, de exemplu, la organizații caritabile.</p> <p>Sperăm să vă bucurați de noul dumneavoastră mobilier.</p> |

Değerli müşterimiz, evde kullanım için tasarlanan iç mekan programımızdan bir mobilya satın aldığınız için teşekkür ederiz. Lütfen teslimat kapsamının eksiksiz olup olmadığını kontrol edin ve montajdan önce aşağıdaki önemli bilgileri dikkatlice okuyun ve daha sonra üçüncü şahıslar tarafından da kullanılmak üzere saklayın.

Mobilyalarımız amaçlandığı şekilde kullanılmalıdır. Amacı dışında kullanımı, maddi hasarlara veya bazı durumlarda kişisel yaralanmalara neden olabilir. Mobilyalar çocuk oyuncakları değildir. Üretici veya satıcı, amacı dışında veya yanlış kullanımdan kaynaklanan hasarlar için hiçbir sorumluluk kabul etmez.

**D İ K K A T:** Çocuklar veya zihinsel engelli kişiler, yaralanma ve/veya bozulma riski bulunmaktadır, mobilya parçalarından, sivri uçlu nesnelerden, küçük parçalardan ve ambalaj malzemelerinden daima uzak tutulmalıdır.

**M O N T A J:** Montaj sırasında lütfen işletim, kullanım, kurulum veya montaj talimatlarınıza uyun ve uyan ve güvenli talimatlarına özellikle dikkat edin. Talimatlara uyulmaması, kişisel yaralanmaya veya mobilya hasarına/güvenlik riskine neden olabilir.

Montaj / kurulum konusunda zorluk yaşıyorsanız, lütfen servis ekibimize iletişime geçin. Ekibimiz tavsiyeleriyle ve destekleriyle size yardımcı olacaktır. Montaj sadece uzman kişiler tarafından yapılmalıdır.

Ürün/ürün parçalarında değişiklikler, üreticiden/satıcıdan gelmeyen parçalarla/sarf malzemeleriyle değiştirilmesi veya kullanılması durumunda meydana gelebilecek hasarlar için sorumluluk kabul edilmez.

Ürünlere dübel ve vida gibi duvara sabitleme araçları eklenmişse, bunlar sadece sağlam ve tek tip malzemelerden yapılmış duvarlarda kullanılmak üzere tasarlanmıştır. Bir bağlantı sadece bağlantı elemanı ve duvar arasındaki bağlantı kadar iyidir. Lütfen mobilyayı sabitlemeden önce duvarınızın hem ayakta hem de asılı mobilya için uygunluğunu kontrol edin ve sadece uygun bağlantı elemanları kullanın. Olası bir delme işleminden önce delme alanında tesiat olmadığından emin olun. Sonuçta, montajı yapan kişi duvara sabitlemekten sorumludur.

Bu aynı zamanda elektrikli parçaların ve diğer yapısal aksesuarların montajı için de geçerlidir. Elektrikli parçaların ve diğer ısıtma ile ilgili aksesuarların montajı/kurulumu sadece yetkili uzman personel tarafından yapılabilir. Tüm elektrik ve yapısal kurulumlar, eyaletinizdeki geçerli standartlara ve güvenlik yönetmeliklerine uygun olarak yapılmalıdır. Işık kaynakları için lütfen sadece izin verilen aydınlatma güçlerini kullanın. Maksimum Watt değerine uyulmaması durumunda aşırı ısına nedeniyle yangın riski söz konusudur. Yangın tehlikesi nedeniyle aydınlatmaların üstünü kapatmak yasaktır.

Mobilyaların düzgün fonksiyonu sadece düz ve yatay konumda garanti edilir. Kapılar önceden ayarlanmıştır, ancak yerel koşullar nedeniyle yeniden hizalanması/ayarlanması gerekebilir. Lütfen maksimum yük ile ilgili ağırlık bilgilerine uyun. Mobilyaların üzerine çıkılması yasaktır. Yanlış kullanım mobilyaların devrilmesine neden olabilir. Bunu önlemek için mobilyalar her zaman devrilmeye karşı emniyete alınmalıdır. Aşırı yük/aşırı zorlama durumunda (özellikle oyun oynayan çocuklar, insanlar, malzeme veya diğer uygunsuz etkiler nedeniyle) kırılma ve yaralanma riski söz konusudur. Kalıcı sağlamlığı güvenceye almak için tüm vidalar ve yük taşıyan bağlantı noktaları 5-6 hafta sonra tekrar sıkılmalıdır.

#### B A K I M:

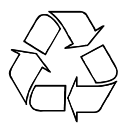

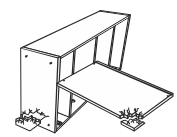

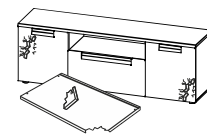

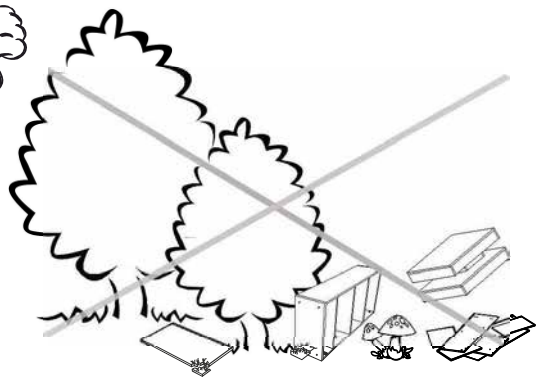

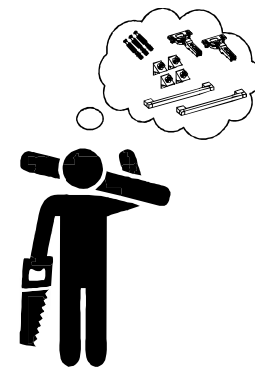

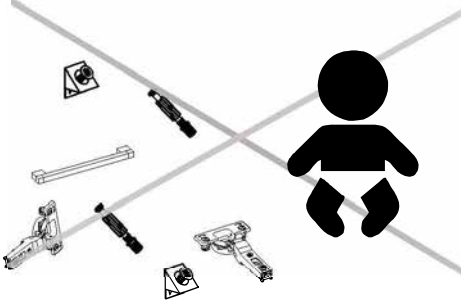

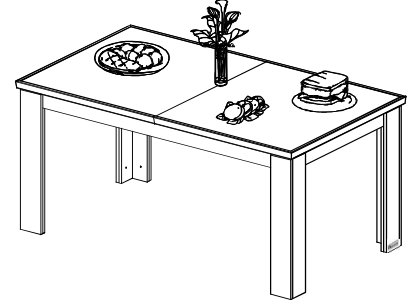

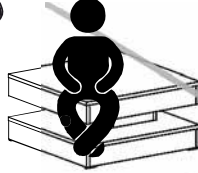

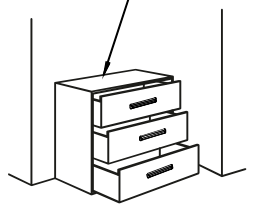

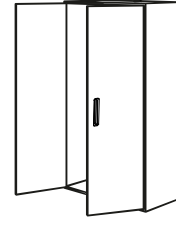

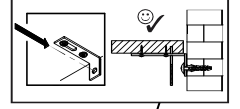

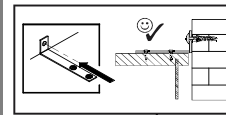

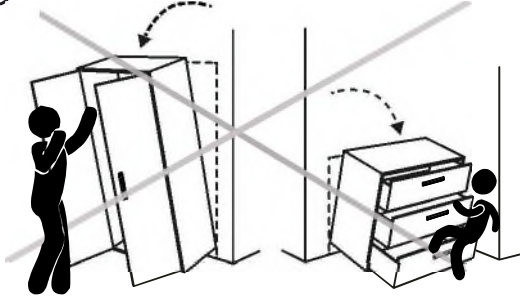

-Mobilya bakımıyla ilgili notlar-  
Ürününüzün keyfini olabildiğince uzun süre çıkarabilemeniz için lütfen uygun mobilya bakımıyla ilgili talimatlarımızı dikkate alın.  
Temizlik sırasında temiz, kuru ve yumuşak pamuklu bir bez kullanın. Mobilyanızın kapsamlı bir temizliğe ihtiyacı varsa, bezi biraz su veya mobilya temizleyicisiyle nemlendirebilir ve ardından temizlenen eşyaları kurutabilirsiniz. Metal ve cam parçaları, üzerlerindeki bakım talimatlarına göre piyasada bulunan metal ve cam temizleyicilerle en iyi şekilde temizleyebilirsiniz. Temizlik maddeleri, mobilya temizliği için uygun olduklarının açık bir göstergesini taşımaktadır.  
Hiçbir koşulda buharlı temizleyiciler, kostik, aşındırıcı veya etkilerine aşırı olmadığınız diğer maddeleri kullanmamalısınız.

**D İ K K A T:** Çok parlak yüzeyler teslimat sırasında koruyucu bir folyoyla korunur. Bunu tamamen monte edilene ve tozu temizlenene kadar mobilya üzerinde bırakın. Koruyucu folyonun çıkarıldığı çok parlak elemanlar ancak 72 saat sonra temizlenebilir ve kullanılabilir (ortam havasında son katlaşma süresi). Yüzeylere keskin nesnelerle zarar vermenin ve asla güçlü güneş ışığına maruz bırakmayın.

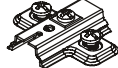

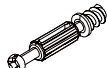

#### T A S F İ Y E

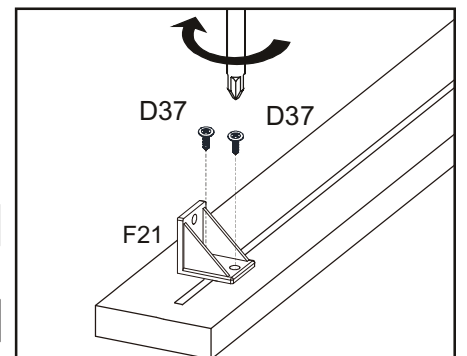

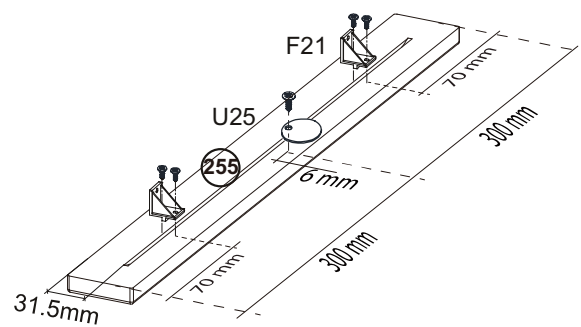

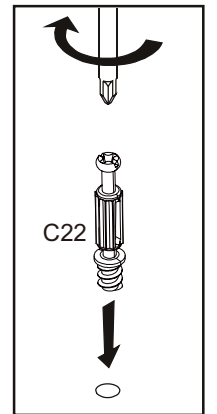

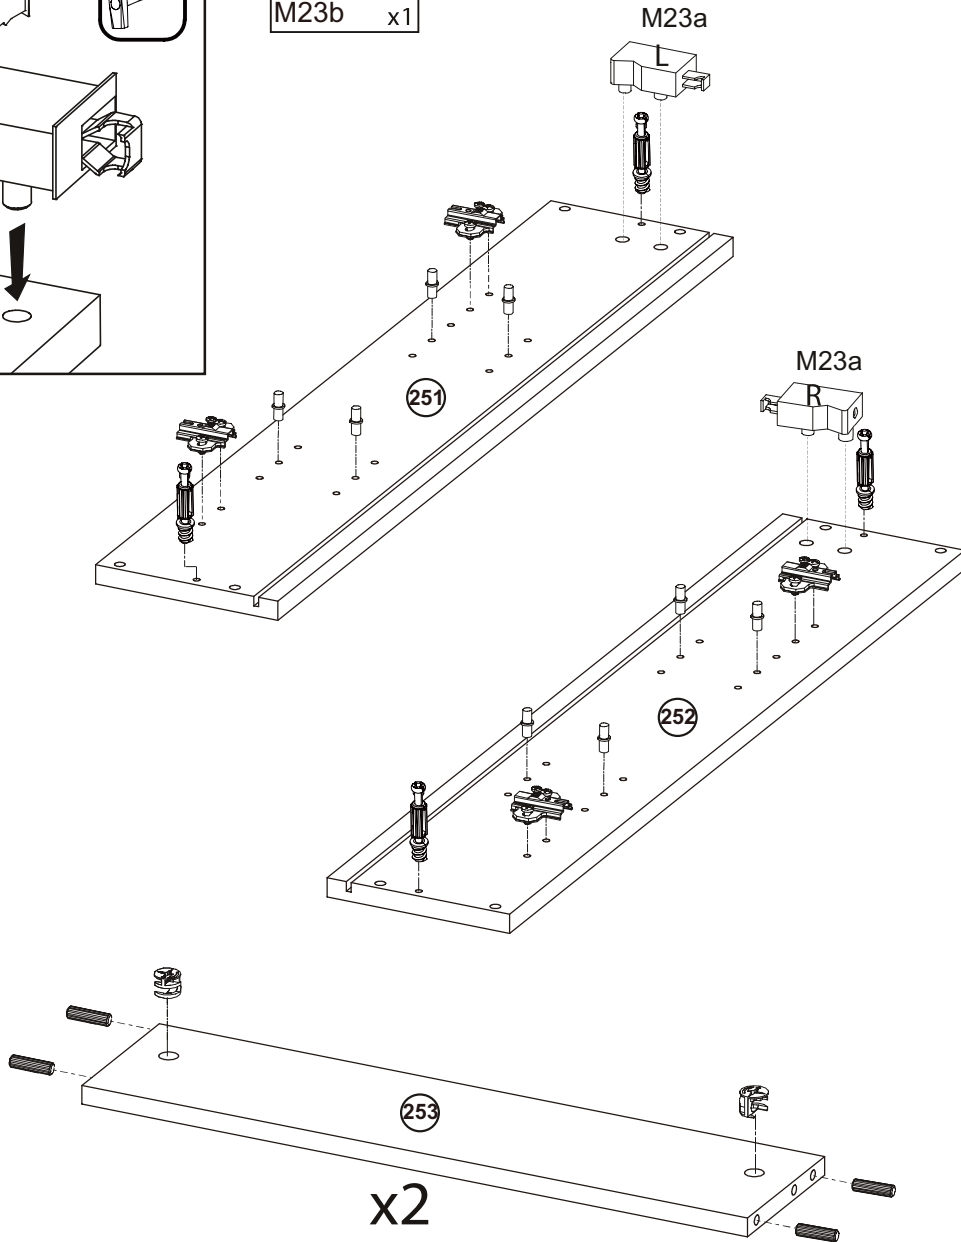

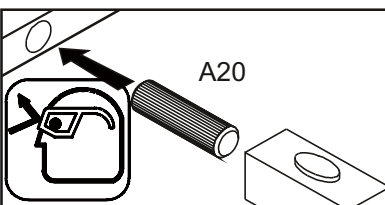

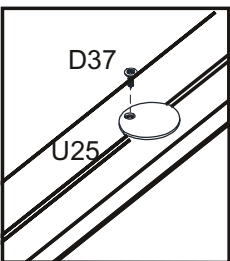

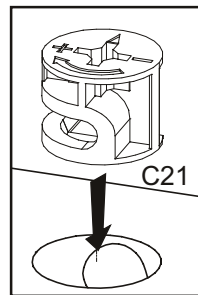

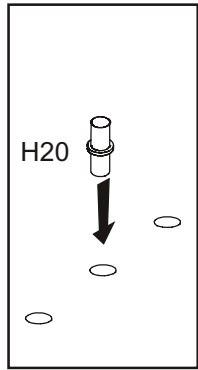

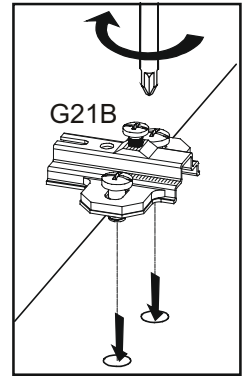

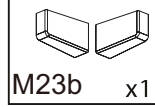

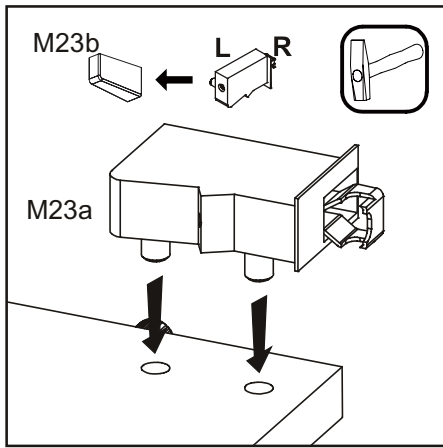

-Tasfiyeyle ilgili notlar-  
Çevre için lütfen türüne göre ayrılmış ambalaj atıklarını doğaya değil, bunlar için sağlanan atık/geri dönüşüm kutularında tasfiye edin.  
Hasarlı veya kullanılamaz mobilyalar, her bir parçanın geri dönüştürülmesi için özel geri kazanım tesislerine gönderilebilir.  
Artık kullanılmayan ancak hala işlevsel olan mobilyaların hemen tasfiye edilmesi gerekmez. Bunları örneğin hayır kurumlarına bağışlayın.

Yeni mobilyalarınızı güle güle kullanın.

Unser Direktservice für Beschlagteile  
Sollte Ihnen ein Beschlagteil fehlen, können Sie diese Servicekarte  
direkt an die untenstehende Adresse mailen. Wir können allerdings  
nur Beschlagteile auf diesem Wege verschicken. Sollten Sie eine  
andere Beanstandung an Ihrem Möbelstück haben, so wenden Sie  
sich bitte direkt an Ihr Möbelhaus.

Our direct order service for fitting  
If a fitting part is missing, you can e-mail this service card directly  
to the address below. However, we can only send fitting parts in  
this way. If you have any other cause for complaint concerning  
your item of furniture, please contact your furniture store directly.

Naše přímé služby pro kování  
Chybí-li vám nějaký díl z kování, můžete tuto servisní kartu odeslat  
e-mailem přímo na níže uvedenou adresu. Touto cestou však  
můžeme zoslat jen díly kování. Pokud byste reklamovali jiný díl  
nábytku, obraťte se přímo na svého prodejce nábytku.

F  
Bien étudier la notice de montage  
S'il vous manque une ferrure, veuillez envoyer directement la présente  
carte service à l'adresse e-mail indiquée ci-dessous. Cependant, ceci  
nous permet uniquement d'envoyer des ferrures. Pour tout autre type  
de réclamation concernant votre meuble, veuillez contacter  
directement votre magasin d'ameublement.

I

Onze directservice voor losse onderdelen  
Wanneer er een onderdeel ontbreekt, kunt u deze servicekaart  
direct aan onderstaand e-mailadres sturen. Wij kunnen langs deze  
weg echter alleen beslagdelen versturen. Mocht u een ander  
probleem aan uw meubel hebben, verzoeken wij u contact op te  
nemen met uw meubeldealer.

PL  
Nasz bezpośredni serwis części montażowych  
Jeżeli brakuje części koniecznych do montażu, prosimy o przesłanie  
nam niniejszej karty serwisowej na niżej podany adres e-mailowy.  
W ten sposób możemy przysłać Państwu tylko brakujące części.  
W przypadku innych reklamacji dotyczących mebla, prosimy zgłosić  
się do salonu meblowego, w którym został dokonany zakup.

HR  
Servis za okove  
U slučaju da nedostaje neki od dijelova molimo vas da na dolje  
navedenu mail adresu pošaljete ovaj servisni obrazac. Na ovaj način  
mogu se dostaviti samo okovi. U slučaju da imate dodatne prigovore  
vezane uz komad namještaja molimo vas da se obratite izravno  
trgovini namještaja gdje je isti kupljen.

HU  
Direktszolgáltatunk vasalátok esetén  
Ha hiányzik egy vasalat, ezt a kártyát közvetlenül elküldheti az  
alább található címre. Azonban csakis vasalatokat tudunk így  
küldeni. Amennyiben másfajta reklamációt áll fenn bútordarabját  
illetően, forduljon közvetlenül a bútornárhoz.

SK  
Náš priamy servis pre časti kovania  
Ak by Vám chýbala nejaká časť kovania, môžete poslať  
túto servisnú kartu poslať e-mailom na nižšie uvedenú  
adresu. Diely kovania vieme poslať iba týmto spôsobom.  
Ak by ste mali inú reklamáciu ohľadom Vášho nábytku,  
obráťte sa priamo na V ášu predajňu nábytku.

SLO  
Naše direktno uslužbe storitve za okovje  
Če vam manjka kakšno okovje, lahko to servisno kartico pošljete  
po e-pošti direktno na spodnji naslov. Po tej poti vam lahko  
pošljemo samo okovje. Če želite reklamirati kakšen drug del  
pohištva, se obrnite neposredno na vašo trgovino pohištva.

RO  
Service-ul nostru direct pentru feronerie  
În cazul în care vă lipsseşte o piesă de feronerie puteţi să trimiteţi  
direct acest card de service prin e-mail la adresa de mai jos. Noi  
nu putem expedia piese de feronerie decât pe această cale.  
Dacă aveţi o altă reclamaţie referitoare la piesa de mobilier  
atunci vă rugăm să vă adresaţi direct la magazinul dvs. de mobilă.

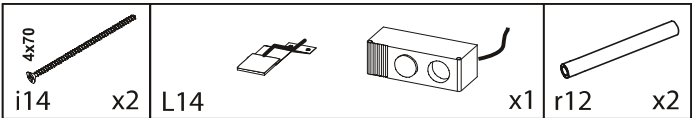

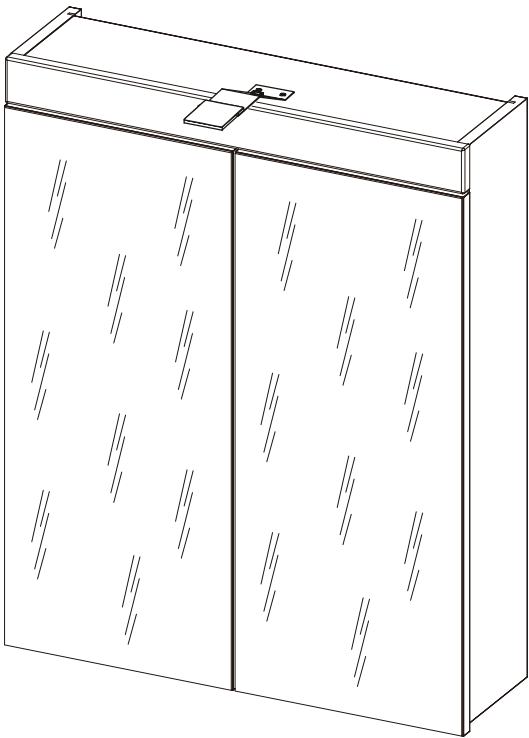

RUS  
Наш пр ямой сервис для пост авок фурнитуры
