Silberfarbene Seite muss beim Einschieben der Beschwerungsstangen immer auf der Vorderseite sein.

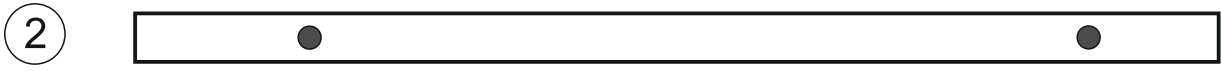

EN

Assembly instructions for magnetic roller blind

1. Window hook with adhesive points

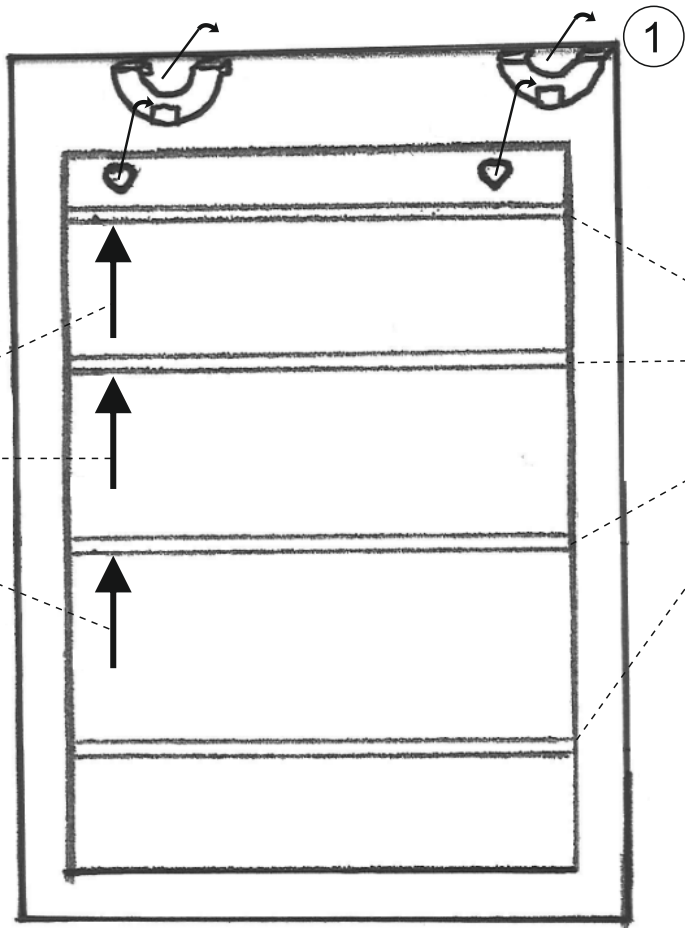

2. Weighting rod with magnet

Assembly:

Gathers:
The gathers occur on the front side of the roller blind, from bottom to top

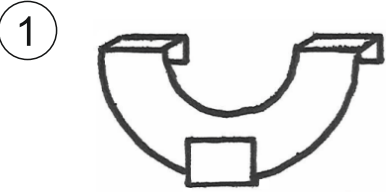

Warning:
Silver coloured side must always be on the front side when inserting the weighting rods.

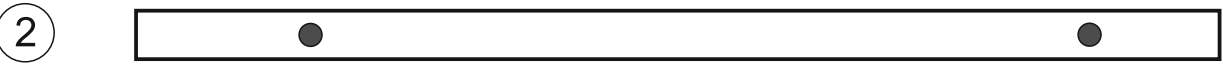

FR

Instructions de montage pour store aimanté

1. Crochet de fenêtre avec autocollants

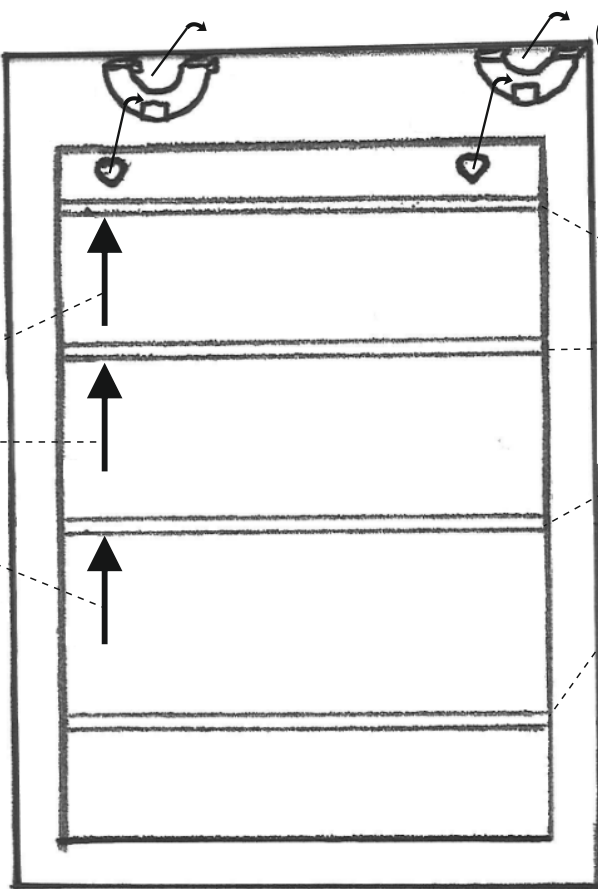

2. Barre de lestage avec aimant

Montage:

Pliage :
Le pliage se fait sur la face avant du store du bas vers le haut

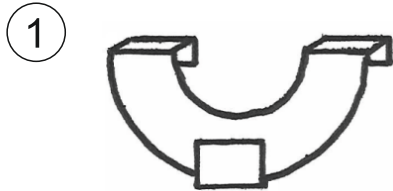

Attention :
Le côté de couleur argentée de la barre de lestage doit toujours être sur la face avant lors de la fixation

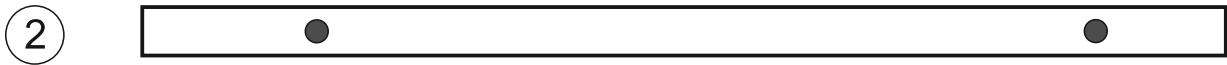

NL

Montagehandleiding voor magnetisch rolgordijn

1. Raamhaak met lijmpunten

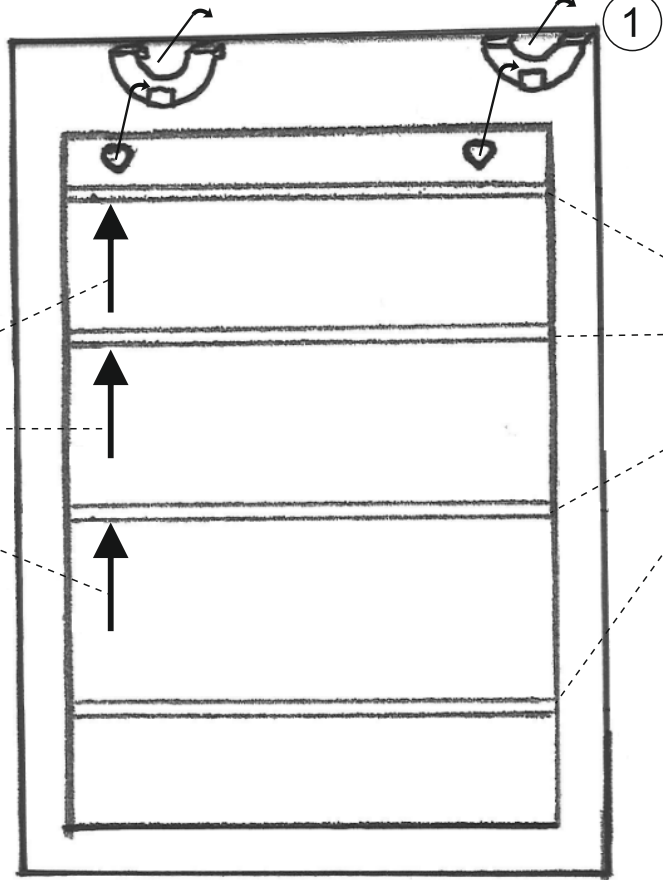

2. Verzwaringstang met magneet

Montage:

Vouwen:
De vouwen horen aan de voorkant van het rolgordijn van boven naar de beneden te lopen

Waarschuwing:
De zilverkleurige kant dient zich altijd aan de voorkant te bevinden bij het inschuiven van de verzwaringstangen.
