D

Lieferung ohne Leuchtmittel.
Nur LED-Leuchtmittel zugelassen
(Bspw. retrofit E 27), max. 40 W.

HINWEIS:

An der Öffnung (Innenkante) der Dekorplatte sowie auf der Rückseite der Dekorplatte sind aus produktionstechnischen Gründen kleine Stellen nicht beschichtet. Diese sind bei vollständiger Montage nicht sichtbar und stellen daher kein Reklamationsgrund dar.

GB

Supplied without light source. Only LED bulbs approved (e.g. retrofit E 27), max. 40 W.

NOTE:

For production reasons, small areas at the opening (inner edge) of the decorative panel and on the back of the decorative panel are not coated. These are not visible when fully assembled and therefore do not constitute grounds for complaint.

F

Livré sans ampoules. Seules les ampoules LED sont autorisées (par ex. retrofit E 27), max. 40 W.

REMARQUE:

Pour des raisons techniques de production, de petites zones ne sont pas revêtues à l'ouverture (bord intérieur) du panneau décoratif ainsi qu'au dos du panneau décoratif. Ceux-ci ne sont pas visibles lorsque le montage est complet et ne constituent donc pas un motif de réclamation.

IT

Fornito senza sorgente luminosa. Sono ammesse solo lampadine LED (ad es. retrofit E 27), max. 40 W.

NOTA:

Per motivi di produzione, piccole aree in corrispondenza dell'apertura (bordo interno) del pannello decorativo e sul retro del pannello decorativo non vengono rivestite. Queste zone non sono visibili una volta assemblate e non costituiscono quindi motivo di reclamo.
